ACADEMIC ADVISEMENT

Academic planning and course selection are critical factors leading to student success. Atlantic Cape's academic advisors in the Center for Student Success work with students majoring in liberal arts, general studies or who are in pre-program allied health courses. An advisor will review program plans, transfer options and help select appropriate courses. It is important to see your advisor whenever changing majors or selecting courses for transfer to other colleges or universities. A student working with a faculty advisor should schedule an appointment with him/her for academic advising. Early advisement enables students to have an optimum selection of courses.

The Center for Student Success is located in J lobby, next to the Admissions office, on the Mays Landing Campus. Call (609) 343-5621, for more information.

To speak to an academic advisor at WACC, call (609) 343-4895.

To speak to an academic advisor at CMCC, call (609) 463-3960.

ACADEMIC POLICIES AND PROCEDURES

ACADEMIC INTEGRITY

Atlantic Cape expects unwavering integrity from students in submitted work. Acts of cheating or plagiarism will not be tolerated and the student will be subject to disciplinary action as detailed below. Students are required to give credit to all individuals who contributed to the completion of any assignment. Specific sources of all information, ideas and quotations not original to the author of the assignment must be referenced. These references must be cited using standard methods such as those taught in ENGL101-Composition I and ENGL102-Composition II or other formats as specified by the instructor. If group work on an assignment is permissible, specific authorization and instructions pertaining thereto must be provided in writing by the instructor.

It should be noted that persons facilitating plagiarism or cheating by another student are equally culpable and such persons may also be subject to penalties similar to those stipulated below. Examples of such facilitation include, but are not limited to, the following:

1. A student gives a copy of a past assignment, such as a term paper, to a second student with the understanding that the second student may use the assignment as his/her own work.
2. A student observes or has other first-hand knowledge of cheating or plagiarism and fails to report this to the instructor.

All students are reminded that they have an ethical responsibility to guard the academic process against corruption by such acts of dishonesty. In addition to the above, students must follow all course-specific or instructor-specific procedures established for examinations, laboratory experiments, studio work, reports and projects.

The following penalties apply in cases of cheating or plagiarism:
1. The instructor may assign a grade of “F” or a zero for an assignment. OR the instructor may assign a grade of “F” for the course in cases of repeated dishonesty or in such cases where the assignment in question is so central to the evaluation process that failure in the assignment would preclude any reasonable possibility of the student passing the course.

2. All confirmed breaches of academic honesty become part of the student’s permanent academic record. Two such offenses will constitute grounds for Academic Dismissal. Said dismissal will be for a duration of no less than two years. After two years, the student may apply for readmission, but this may be attempted only once. Upon readmission, any further act of dishonesty will result in permanent dismissal.

If the student is not in agreement with the action taken by the faculty member, the student is encouraged to meet and discuss the issue with the faculty as the first step. If the student is not satisfied with the outcome, the student requests a meeting with the Academic Dean, Nursing Chairperson or testing director.

ACADEMIC INTEGRITY APPEAL PROCESS

If the matter is not resolved between the student and faculty member or at the Academic Dean level, the student will contact the Assistant Director, Center for Student Success to file an appeal. The appeal process will be explained to the student and a student advocate will be assigned, if requested.

The Academic Standards, Policies, and Procedures Committee will be the appeal board for students who wish to appeal a faculty member’s, Nursing chairperson or testing director’s action. The committee must have a quorum in order to hear the charge.

The following procedure will be followed in order to provide the student with due process:

- The faculty member, Nursing chairperson or testing director will be notified of the appeal and will prepare a written statement of charges to be submitted to the Assistant Director, Center for Student Success, who will prepare and present the case to the Academic Standards, Policies and Procedures Committee.
- A hearing date will be selected that is mutually agreeable to all parties. The student will receive written notification of the violation and hearing date by registered mail or delivered in person and by email at least ten days before the date of the hearing. The hearing will take place on the scheduled date as long as the Committee has a quorum to hear the case.
- The charges, all affidavits, and all exhibits, which the College intends to submit, will be made available to the person making the allegation and the charged student for inspection.
- The student may bring counsel to the hearing in a consultative role only. In addition, the student can be assigned a student advocate from the counseling center to accompany them. The advocate can help the student prepare for the hearing and accompany the student to the hearing in a consultative role.
- The student will have the opportunity to present his/her own version of the facts, by personal statement as well as by affidavits and witnesses.
- The student will have the right to hear evidence against him/her and to question adverse witnesses personally.
The Academic Standards, Policies, and Procedures Committee will make a determination of the facts of each case solely based on the evidence presented at the hearing. The chairperson of the committee will prepare a written statement of the committee's findings of fact and a recommendation to the Vice President of Academic Affairs for action.

The Vice President of Academic Affairs receives recommendation and makes the appropriate decision regarding disciplinary action or dismissal of charges and the decision is final.

ACADEMIC STANDARDS

Staff and resources are available to help students be academically successful. At the end of each academic year (at the end of the spring semester), the college will review students’ academic progress and identify individuals who need additional support and resources. If a student is placed on one of the following academic classifications they will need to meet with a college representative to identify appropriate support and resources to develop a plan for academic success.

To be in “good academic standing,” students must maintain a minimum 2.0 overall grade point average (GPA). Students receiving financial aid must also meet “Satisfactory Academic Progress” (SAP) requirements (pass a certain percentage of courses in which you enroll). If a student earns an overall GPA below the minimum 2.0, they will be placed on one of the Academic Classifications listed below.

ACADEMIC CLASSIFICATIONS

ACADEMIC PROBATION

Students placed on Academic Probation will have a hold placed on their account prohibiting enrollment in more than 11 credits (12 credits is the minimum for full-time enrollment status). Students must connect with a counselor or advisor so that factors leading to the unsatisfactory academic performance can be discussed and to develop an action plan for academic success.

ACADEMIC SUSPENSION FROM FULL-TIME ENROLLMENT

A student placed on Academic Suspension from full-time enrollment is restricted to a maximum of 11 credits during each semester. Students on academic suspension must connect with a counselor to develop a plan for academic success.

A student may file an appeal through the Academic Appeal process if they would like to enroll full-time during the academic year.
ACADEMIC DISMISSAL
A student is placed on Academic Dismissal if they have attempted between 17 - 30 credits and have a GPA below a .60, or have attempted between 31 – 48 credits and have earned a GPA less than 1.01 or have attempted 49 or more credits and earned a GPA less than 1.59. This classification prohibits College enrollment for a period of two semesters (one academic year). A student may appeal this classification through the Academic Appeal process in order to enroll during the academic year. If the appeal is approved, the student will be placed on Academic Suspension from full-time enrollment for the first semester and must meet with a counselor to determine the maximum credit enrollment for the next semester.

ACADEMIC CLASSIFICATION APPEALS
Students with extenuating circumstances (personal, medical or employment related) may appeal to the Academic Standards, Policies, and Procedures Committee. Upon written notification of academic classifications, students will be given notice of their right to an appeal, appropriate contact information,
instructions for requesting appeal and appropriate scheduling information. Upon being granted this opportunity, students may submit their appeal in writing or in person. The committee will judge each case and state its finding to each student regarding its disposition of either upholding or reversing the assigned academic status.

AFFIRMATIVE ACTION
See Sexual Harassment/Affirmative Action.

ATHLETIC FACILITIES
Atlantic Cape’s indoor athletic facilities include a gymnasium with a seating capacity of 800, fitness center, locker rooms and showers. Outdoor facilities include softball and soccer fields, an archery range and an exercise trail. Students can schedule use of these facilities through Jamal Edwards at (609) 343-5043.

ATTENDANCE AND TARDINESS AND CLASSROOM SUCCESS
The College believes there is a correlation between academic growth and classroom attendance, and students are expected to keep classroom appointments. Individual faculty members announce policies on attendance and it is the student's responsibility to know and follow the attendance policy for each course.

Research has indicated that there is a correlation between academic success and classroom attendance and punctuality. Faculty members announce attendance expectations and it is the student’s responsibility to know and follow the said expectation for each course. Faculty may be required to report students’ last academic activity for individual courses.

ATTIRE
Students are expected to dress in clothing that is appropriate for campus life; footwear and shirts are required inside all buildings and at all College functions.

BOOKSTORES
The Follett bookstores are independently-operated facilities located on the first floor of J Building on the Mays Landing Campus and the first floor of the Charles D. Worthington Atlantic City Campus. The stores sell textbooks, culinary uniforms and supplies, nursing uniforms and supplies, stationery, sportswear, school and art supplies, computer electronics, USB drives, snacks, stamps and padlocks for student lockers.

Cash, VISA, MasterCard, American Express and Discover are accepted. Personal checks, with proper identification, are accepted for the exact amount of purchase, maximum $500. An actual credit card must be presented at time of purchase. The name imprinted on the card must match the name of the customer presenting the card. The bookstore will obtain and verify the cardholder signature. If there is no signature, a photo ID must be shown.
Atlantic Cape offers students who have eligible excess financial aid funds a Follett bookstore account for their book advances. The College does not issue paper “book checks.” Eligible students will be notified when funds become available. Students may then view this information by logging into their Atlantic Cape Student WebAdvisor account, selecting “Bookstore Charge Transactions” under the Financial Aid tab.

CENTER FOR ACCESSIBILITY
Atlantic Cape provides reasonable accommodations to students with documented disabilities. Students are strongly encouraged to request accommodations at the time of admission to ensure ample time to arrange accommodations. Students are required to submit documentation to determine eligibility for
accommodations in accordance with Section 504 of the Rehabilitation Act of 1973, as amended and the Americans with Disabilities Act.

ELIGIBILITY

Eligibility for student accommodations is based on medical and/or other professional documentation of disability as well as the impact the disability has on the students’ access to their education. Contact the Assistant Director of The Center for Accessibility (CFA) for information about appropriate documentation of disabilities. Call (609) 343-5680, email cfa@atlantic.edu or stop in the Center for Student Success. Please note this is an individualized process, and will vary based on student needs.

It is the responsibility of the student with a disability to identify himself/herself as having a disability and to request academic adjustments, auxiliary aids and/or modifications necessary to receive equal access to the College’s program, activities and services. The person with a disability can initiate self-identification by seeking assistance from The Center for Accessibility. Students who self-identify elsewhere will be referred to the Center for Accessibility.

PROVISION OF ACCOMMODATIONS

In order to receive accommodations in a timely manner, students are encouraged to schedule a meeting with the CFA for documentation review and individualized need assessment. The process for obtaining accommodations is as follows:

1. Complete and submit the CFA Registration Form
   Upon completion of this form, the student will receive a confirmation email of their submission. Students are encouraged to call (609) 343-5680, email cfa@atlantic.edu or stop by if accommodations are needed to complete this form.

2. Schedule an intake meeting
   Upon receipt of the registration form, a representative from CFA will contact the student to schedule an intake meeting with the assigned counselor. This meeting can be done in person, via Skype, or by phone.

3. Submit appropriate documentation

On or before the intake meeting, students must submit documentation, which includes a diagnosis of medical condition(s) and sufficient information regarding the impact on the student’s ability to perform and/or function. Documentation must support the need for the accommodations requested. Please consult the CFA guidelines for examples of acceptable documentation.

The documentation can be submitted in one of three ways.

1. Sending as an email attachment to: cfa@atlantic.edu
2. Faxing to (609) 343-4926
3. Bringing the documentation to the intake appointment

The test is also available in alternate formats for students with visual impairments. Call (609) 343-5680 or cfa@atlantic.edu for additional information and to request accommodations.

It is the responsibility of the student to verify eligibility for a chargeback with the home county. Chargeback acceptance letters, available in Enrollment Services, are required for students whose home county has a community college. CENTER FOR STUDENT SUCCESS

Counseling can be one of the most important resources available to you while attending college, whether you are a recent high school graduate, returning adult, transfer student or veteran. Counseling can be essential in assisting you in the achievement of your educational and/or career goals.

A counselor can help you navigate obstacles that may interfere with your academic progress, choose an appropriate degree program that aligns with your career goals, help develop a resume and cover letter, and assist with the transfer process.

If faced with challenges, which you find difficult to handle alone, such as personal issues, alcohol and/or substance abuse, feelings of depression and/or despair, come meet with a counselor. There is no cost to meet with a counselor and counselors adhere to ethical guidelines regarding confidentiality. Students are referred to community providers if long-term counseling or services are appropriate.

Counseling services are available at all three campuses. Call (609) 343-5667 to schedule an appointment with a counselor.

COUNSELING & SUPPORT SERVICES

The Counseling and Support Services area is located on the Mays Landing Campus. The area consists of six academic support programs to help eligible students attain their academic goals. The programs are Educational Opportunity Fund Program (EOF), Student Support Services Program (SSS), New Jersey STARS (NJS) and Student Leadership programs (Leadership Education and Development (LEAD) and Peer Mentors, Men of Atlantic Cape (MAC) and Stockton Transfer Pathways.

The programs offer a variety of services that include, but are not limited to counseling, academic advisement, monitoring of academic progress, assistance with the transfer process and cultural activities.

Academic advising is also housed in the Center for Student Success and designed to assist students achieve their academic and career goals.

See Educational Opportunity Fund, Student Leadership Programs, New Jersey STARS, and Student Support Services.

COURSE DROP/ADD OR CHANGES

Changes in registration may be made at any of the Atlantic Cape locations by completing a registration/course change form in person, by fax or mailing the change. You may also make changes via
the Web. Dates to change registration status vary by semester and session so please refer to the online Academic Calendar for specific dates. The date of the change determines the amount of any eligible refund.

The effective date of the change will be the date the request is received in person; the postmarked date, if mailed; or the date the transaction took place online.

To be registered into a closed course, students must have written permission from the faculty member.

Students may withdraw from a course but should do so only after a conference with a counselor or advisor. Students who wish to withdraw from courses may do so in writing by the deadlines as listed in the online Academic Calendar. A grade of "W" will be assigned for each course. "W" grades are not computed in students’ grade point averages. Withdrawing from class may affect financial aid awards.

Not attending classes or stopping payment of a check does not constitute an official withdrawal. These students will receive an “F” grade and will be responsible for course costs.

*See Leave of Absence.*

This goal is reached by providing counseling, mentoring, tutoring, workshops/seminars, financial assistance, academic advisement, monitoring academic progress, transfer assistance and student leadership activities.

EMERGENCY CLOSINGS/CANCELLATIONS

Cancellation of a class may be necessary because of the sudden illness or unexpected absence of an instructor too late for a substitute to be assigned. Students will be notified of the cancellation by a notice posted on the classroom door or delivered in person by another instructor or in advance, or see Instructor cancellations. Further study assignments may be distributed by the same means. In the event of the cancellation of an evening class, efforts will be made to contact students in advance by telephone.

Students may decide whether extreme weather and road conditions prevent their attendance at classes when the College is open. In such cases, students should notify the College in advance and state the reason for their absence by calling (609)3435114. Students who miss a class - must still complete assignments.

If an instructor is late for a class, students should wait at least 10 minutes after the scheduled starting time of the class. After such time, students may leave without prejudice, but one student should inform the Faculty Support Office of the instructor’s absence: Mays Landing – Room A-123, Cape May County Campus – Room 335, Worthington Atlantic City Campus – Room 255.

In the event of bad weather or other emergency, Atlantic Cape campus closings are announced on the homepage, Facebook page, Twitter account, via TxtAlert and carried over local radio stations. Students are encouraged to sign up for text alerts via the homepage of atlantic.edu as this is the first source of information regarding closing or delays.

Please note that the closings may be for different sites or morning, afternoon or evening classes only. If a “delayed opening” is announced, the College will open at 11 a.m.

Atlantic Cape feels that students have the right to decide whether extreme weather and road conditions prevent them from attending classes when the College is open. Students who miss a class must still complete assignments.

FINANCIAL AID

Visit us at Financial Aid for information that is more detailed and for more complete information on applying for aid and for various program deadlines.

GENERAL ELIGIBILITY REQUIREMENTS

To be eligible for financial aid, students must:

- Have a high school diploma or GED.
- Be enrolled in a degree or eligible certificate program.
- Demonstrate financial need.
- Maintain satisfactory academic progress; (see our website) and submit all required documentation within the specified deadlines.
- Not be in default of a federal student loan.

APPLYING FOR FINANCIAL AID

To apply for any type of financial aid, including loans, students must file the Free Application for Federal Student Aid (FAFSA), available as early as Oct. 1 online. Early filing of the FAFSA is recommended by April 1 for fall semester and Sept. 1 for spring semester.

Eligible students will receive a letter or email via their college Buccaneer email account from Atlantic Cape’s Financial Aid and Veterans Services office indicating how to access their award notification on the Student Self Service system.
Semester tuition and fees are deducted from eligible aid. If a student has remaining eligibility, a book credit at Follett Bookstore may be issued, generally during the first week of the semester. Remaining aid will be disbursed and refunded mid-semester. To be considered for a book credit, the Financial Aid and Veterans Services Office must have received processed financial aid forms and all other required documentation 30 days prior to the first day of the semester.

Atlantic Cape’s code number is 002596. All students interested in New Jersey State aid must also complete additional questions on the FAFSA for the New Jersey Higher Education Student Assistance Authority (NJ HESAA) to see if they are eligible for the Tuition Aid Grant (TAG) from the State of New Jersey. The Student Eligibility Notice (SEN) will alert you if you appear eligible. When you receive this notice, check that Atlantic Cape is the school listed on it.

Students have the right to know:

- The criteria used to select recipients.
- The method used to determine financial aid.
- The components of the cost of attending Atlantic Cape.

Students must notify the Financial Aid and Veterans Services Office of withdrawals or leaves of absence from College. (Withdrawal may result in a prorated adjustment of students’ awards. Students who receive a grade of NA (never attended) or receive all grades of “F,” may also have their financial aid awards adjusted.) It is required that students adhere to the following during the time of withdrawal or leave of absence:

- Repay any overpayments.
- Provide all information and documentation requested while still enrolled.
- Notify the Financial Aid and Veterans Services Office and Enrollment Services of any changes in name, address, email address or telephone number(s).
- Read, understand and respond to (in a timely manner) any correspondence received from Atlantic Cape or any other agency involved in the financial aid process, such as the PELL grant; and attending an entrance and an exit interview (student loan borrower).*

* Stafford Loan recipients are required to complete an exit interview to review rights and responsibilities as borrowers. Student must also apply and accept their loan using the Student Self Service system.

The Financial Aid and Veterans Services Office reserves the right to place a hold on any financial aid transcripts, college transcripts or college diplomas until the exit interviews are completed. Students are also required to notify the Financial Aid and Veterans Services Office prior to graduating, transferring to another college, or when leaving Atlantic Cape.

New Jersey and federal student aid programs have provisions that allow special consideration for students who have encountered death of a parent or spouse; reduction or loss of employment resulting in loss of wage earnings; divorce or separation; disability; loss of unemployment benefits; or retirement. Visit the Financial Aid and Veterans Services Office for details.
AVAILABLE ASSISTANCE

Descriptions of financial aid programs administered by the Financial Aid and Veterans Services office are listed below. A financial aid recipient often receives aid from more than one source. Atlantic Cape reserves the right to adjust, modify or cancel aid due to changes, federal and state allocations and appropriations.

GRANT ASSISTANCE

PELL Grant: A federal program that provides financial assistance to students enrolled in an eligible program. Eligibility is determined by a national formula. The amount of the award is based on: (1) eligibility as determined by the PELL Grant formula, (2) the cost of the program and (3) enrollment status.

Federal Supplemental Educational Opportunity Grant (FSEOG) is a federal program that provides money to undergraduate students with financial need. PELL recipients with exceptional need are given priority.

Tuition Aid Grant (TAG) is a New Jersey Program that provides grant aid to students enrolled at least half-time. Awards are based on state appropriations.

Educational Opportunity Fund (EOF) is a NJ program available to New Jersey residents only, for students from educationally disadvantaged backgrounds who have exceptional financial need.

NJ STARS is a New Jersey program that covers tuition of students who graduate in the top 15 percent of their high school class. (Please refer to the NJ STARS section of our website for details.) Please note, students must declare themselves as a NJSTARS student on the Admissions Application. Failure to identify yourself on the application could result in loss of eligibility.

New Jersey Dreamers is a new program that allows undocumented student to enroll in an eligible New Jersey College and Universities and to apply for state financial aid. See our website on how to apply. Visit Financial Aid/Dreamers.

Community College Opportunity Grant (CCOG) is a State tuition free program for student who meet the Adjusted Gross Income (AGI) and credit requirements.

LOANS

For more information on all of these loan programs, visit atlantic.edu/finaid and click on loans.

Federal Direct Subsidized Stafford Loans are low-interest loans for students to help pay for the cost of their education through the U.S. Department of Education. You must be enrolled at least half-time and demonstrate financial need as determined by the Financial Aid Application.

Federal Direct Unsubsidized Stafford Loan is a low-interest loan available to all students regardless of income and is not based on financial need. Interest is charged during all periods. Because the government does not subsidize this loan, you are responsible for all interest that accrues. You may choose to make interest payments while in school or defer (and accrue) interest until repayment. You must be enrolled at least half-time.
Federal Direct Parent Loan for Undergraduate Students (PLUS) — Parents may borrow up to the cost of education for each student enrolled at least half-time (6 credits). Not income or need based, but a good credit history is needed. A loan application can be obtained at a participating lending institution. Repayment begins 60 days after disbursement.

New Jersey CLASS Loans allows students or parents to borrow the money needed to meet education costs after all other sources are exhausted. This loan is for New Jersey residents only, and student must apply for federal loans first.

OTHER TYPES OF ASSISTANCE

Scholarship and Awards program: Scholarships are available to returning Atlantic Cape students and incoming and returning culinary majors. Each scholarship has specific criteria, which must be met by the applicant. All students maintaining a GPA of 2.5 or better are encouraged to apply. Applications are available in November. The deadline for submitting an application is mid-February.

WORK ASSISTANCE — FEDERAL COLLEGE WORK STUDY PROGRAM (FCWSP):

The work-study program provides part-time jobs to students who have financial need. Work schedules are built around class schedules. Every attempt is made to place students in jobs that relate to their major courses of study, interests and skills. Awards are based on federal appropriation and student may work until funds are exhausted. It is possible that a student will not be able to earn the total FWS funds awarded to them.

VETERANS SERVICES APPLICATION

Veterans Services Application Veterans and eligible dependents attending Atlantic Cape may receive assistance in applying for educational benefits from the Financial Aid and Veterans Services Office at all campuses.

Students who are eligible for veterans’ benefits should submit their applications early. All Veteran students using their educational benefits must turn in a VA Transmittal Form. An academic advisor must sign the Transmittal Form, confirming that all enrolled courses apply towards your degree program. All online registrations must also be approved by completing the VA Transmittal Form. You will not be certified with the Veterans Affairs Office for any classes without a signed Transmittal Form or for coursework outside your degree requirements. In-person assistance can be obtained by calling Mays Landing (609) 343-5129, Atlantic City (609) 343-4822 or Cape May (609) 463-6788.

RIGHTS AND RESPONSIBILITIES

Students have the right to appeal an award decision and may have other rights under certain programs. Students and/or their parents should not hesitate to ask questions regarding the appeal process.

REGISTRATION

After being admitted as a student, and before registering for any courses, students using veterans’ benefits must go to the Financial Aid and Veterans Services Office for a Transmittal Form. Enrollment certifications to the Veterans Administration will be made only after the Financial Aid and Veterans Services office has
received a duly signed Transmittal Form. Students must submit a Transmittal Form for each drop or add made prior to classes starting. Students must contact the Atlantic Cape Veterans Affairs Office (609-343-5129) before withdrawing. Withdrawing or receiving a NA grade (Never Attended) from a class will affect your veteran eligibility. It is your responsibility to notify the Veteran Officer in the Financial Aid Office if you withdraw or do not attend.

PAYMENT

Advance payment may be made to those entering training for the first time, and for students who have had a break in training of at least 30 days. Students, through the Financial Aid and Veterans Services Office, must make an advance payment request no later than 60 days prior to the beginning of classes.

TRANSFER STUDENTS (VETERANS)

Students transferring into Atlantic Cape must apply to the Veterans Administration for a change in their place of training and/or program of study. Request forms are available in the Financial Aid and Veterans Services Office. Official transcripts from all other post-secondary institutions must be sent to the Admissions Office.

AMNESTY

Any student who requests and receives amnesty for courses covered by U.S. Veterans Educational Benefits cannot be recertified to retake those courses.

AUDITING A COURSE (AU) – AUDITED

No credit or regular grade given for the course. In order to receive an AU for a course, the student must register as an audit student by notifying the Enrollment Services Office at the time of registration or through the first week of the semester (drop/add period). Regular attendance and other requirements stipulated by the instructor are required. Final grades of AU will be assigned and will appear on the student's transcript. AU grades are not computed in the student’s GPA. Audited courses are ineligible for financial aid.

INCOMPLETE (I) GRADE

I – This grade is defined as a failure to complete the requirements of a course, due to illness or other circumstances acceptable to the instructor as beyond the control of the student. An incomplete grade may be changed to a letter grade by the instructor, if the student completes the requirements of the course before the end of the eighth week of the next regular fall or spring semester. Due to the special circumstances of Aviation Flight training courses, students will have 12 calendar months to complete the requirements of flight courses. A grade of incomplete that has not been changed by the end of the grace period becomes an F. The responsibility for the elimination of an incomplete grade entry on the permanent record lies entirely with the student. Requests for change of an incomplete grade to a letter grade must be submitted online, by the instructor. An incomplete grade does not satisfy the prerequisite requirement for the next level course.

GRADE NA

Student never attended, never participated in an online course. Grade submitted at mid-semester only.

F TO W GRADE POLICY

Procedure for issuing a “W” as a grade after a final grade is issued (F to W Grade Policy) – A change of grade request from F to W because of failure to withdraw in a timely manner from the course or non-attendance, will only be received and processed by the Registrar.

- The student must present complete documentation to the Registrar that explains the extenuating circumstances for the change.
- The Registrar notifies the faculty member involved of the student’s request. Documentation will be available for inspection in the Enrollment Services Office.
- If the faculty member does not approve the change, the student may petition the Academic Standards Committee for an appeal.

WITHDRAW FROM A CLASS (W GRADE)

A student wishing to withdraw from a class may do so in writing or online until the 10th week of the fall or spring semester. Summer, winter and any other sessions that do not meet for the entire semester have varying withdrawal dates. A grade of “W” will be assigned for the course. “W” grades are not computed in the student’s GPA. Contact Enrollment Services or check the Academic Calendar for dates. It is each student's responsibility to withdraw from courses, by the deadline, at any Atlantic Cape campus or online.
Non-attendance of a class does not constitute an official withdrawal and the student will receive a grade of “F” in the course. A failure or withdrawal in a course may impact financial aid awards and/or status.

Procedure for withdrawals after the “W” period ends and prior to final grades:

- If a student can document extenuating circumstances beyond his/her control (sickness, death in family, out-of-town, injury, job change, etc.), the Dean of Student Affairs or Dean’s designee (Registrar-in Enrollment Services) has the authority to allow the student to withdraw.
- If a student makes a request to his/her professor for a withdrawal after the “W” period but prior to the final grades deadline, the professor may approve the request by signing the registration/course change form.

DEAN’S AND PRESIDENT’S LISTS

Full-time students achieving a GPA of 3.0–3.99 are placed on the Dean’s List. Full-time students achieving a GPA of 4.0 are placed on the President’s List, in a given semester. Part-time students are eligible after each increment of 16 credits while maintaining a cumulative GPA of 3.0–3.99 or 4.0.

GRADE APPEALS

Atlantic Cape is dedicated to the goals of fairness in all of its procedures and practices. If, for any reason, a student believes he or she is the victim of unjust practices, a comprehensive process for grievance resolution is available to that student and is outlined as follows. All student-initiated grade appeals must be submitted within one year of the original date of issuance of the grade to the instructor that submitted the grade.

Students who need assistance with this process should contact Anita Polanco at (609) 343-5098 or apolanco@atlantic.edu.

CREDIT–ACADEMIC ISSUES (GRADES, ETC.)

- Level 1 — the student meets with the faculty member. If the issue is not resolved, the student proceeds to the next level.
- Level 2 — the student meets with the appropriate academic dean. If the issue is still unresolved, the student proceeds to the next level.
- Level 3 — the student meets with Anita Polanco at (609) 343-5098 or apolanco@atlantic.edu, who will forward the case on to the Academic Standards Policies & Procedure Committee. This committee will make its recommendation to the Vice President of Academic Affairs who then renders a binding decision.

A student may request a College counselor to assist them at any level of the grievance process. The counselor’s role is one of support and advisement. The counselor helps clarify the appeals process, assists the student with the preparation of his or her case, and helps the student explore options so the student is able to make a more informed decision. Any choice made during the grievance process is that of the student. Counselors are not at liberty to make decisions for students or present evidence or testimony on the student’s behalf.
GRADE POINT AVERAGE (GPA), HOW TO CALCULATE

To calculate GPA, each grade is assigned the following Quality Point Value (QPV): A=4, B=3, C=2, D=1, F=0. Current semester GPA is calculated as follows:

1. Multiply the number of attempted credits for each course by the QPV of the grade received for that course (see above). Add all QPVs together.
2. Add the total number of Attempted Credits excluding grades of NA, W or AU.
3. Divide the total number of Quality Point Values by the total number of Attempted Credits to get the semester GPA.

Example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Attempted Credits</th>
<th>Grade</th>
<th>QPV</th>
<th>Multiply attempted credits by QPV</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 101</td>
<td>3</td>
<td>B</td>
<td>3</td>
<td>9</td>
</tr>
<tr>
<td>HIST 103</td>
<td>3</td>
<td>A</td>
<td>4</td>
<td>12</td>
</tr>
<tr>
<td>Total</td>
<td>6</td>
<td></td>
<td></td>
<td>21</td>
</tr>
</tbody>
</table>

Divide total Quality Point Values (21) by the total number of Attempted Credits (6): 21 ÷ 6 = 3.5 (GPA).

GRADUATION REQUIREMENTS

To earn an Associate degree, students must successfully complete the minimum credits attributable to that specific program as noted in the college catalog. Students must achieve at least a 2.0 cumulative GPA. Every student is required to demonstrate technological competency, by graduation, by passing CISM125-Introduction to Computers with a “C” or better, testing out or presenting a portfolio. Each degree program will have the option of determining when these competencies should be demonstrated.

Total credits required to complete each degree program are listed in the college catalog. In addition, students must complete the required courses for the catalog in effect the date they were enrolled, or any catalog after that date. Students who transfer from another institution must complete 32 credits at Atlantic Cape.

Graduates with a GPA of 3.5 to 3.74 are awarded a degree with honors; 3.75 to 3.99 with high honors; and 4.0 with the highest honors. Although degrees are given at the end of each semester to qualifying students, a formal commencement ceremony is held at the end of the spring semester.

Students who have more than two courses to complete for their degree requirements, or who have a cumulative grade point average of less than 2.00, will not be permitted to participate in the commencement ceremony.

POLICIES AND PROCEDURES

STUDENT CODE OF CONDUCT

Upon admission to Atlantic Cape, students accept a commitment to act in a responsible manner, which conforms to generally accepted standards of adult behavior. Students are expected to familiarize themselves with the College’s Code of Conduct.

It is expected that all students will show courtesy and respect for each other and for administrative officers, faculty and employees. Students must understand and accept the necessity for various College regulations and they must comply with directives of those authorized to enforce regulations.

Students are expected to respect the property of the College and that of others. Damage to or destruction of such property will be considered a matter for disciplinary action.

All students are expected to present an appearance that is neat, clean and in good taste. Students also are expected to recognize the importance of their personal appearance. Proper dress on campus, therefore, is expected. Some College programs reserve the right to require specific dress/uniform standards.

Students who act in a manner contrary to the best interests of the College will be subject to such penalties as the circumstances justify.
The College reserves the right to dismiss any student whose attendance, in the judgment of the administration, is detrimental to the College or its students.

STUDENT CODE OF CONDUCT ADDENDUM:

FACE COVERINGS

We aim to foster a sense of shared experience and common purpose, along with a collective responsibility for each other’s well-being and for the well-being of the College as a whole. The conditions of the COVID-19 global pandemic require a shift in our priorities. During this time our policies and our actions are governed by a public health perspective, focused on the well-being and safety of the community as a whole (students, faculty, and staff) rather than on individual preference. Therefore,

If College policy, procedures and/or public health orders require wearing face coverings, students are required to wear face coverings that cover the nose and mouth whenever indoors on campus. Face coverings are also required outdoors on campus when physical distancing of six feet or more is not possible.

Failing to abide by face covering requirements will result in being refused service and is a violation of the Student Code of Conduct. The college also reserves the right to remove a student from campus for failure to wear a face covering. After the first violation, future violations may lead to more impactful sanctions including disciplinary probation, suspension, etc.

Medical Accommodations

Students unable to wear a mask or face covering due to a medical condition or other protected reason should contact Mike Barnes, Director of The Center for Accessibility by emailing mbarnes@atlantic.edu.

(Princeton University, Kutztown University & University of Colorado)

PRIVACY (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law designed to:

- Protect the privacy of education records.
- Establish the right of students to inspect and review their education records.
- Provide guidelines for the correction of inaccurate and misleading records.

FERPA applies to students attending any educational program at Atlantic Cape. The U.S. Department of Education defines “directory information” as information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed.

Directory Information as defined by Atlantic Cape includes:

- Name
- Classification
- Degrees Awarded
- Hometown
- Honors
- Awards
- Weight/Height of Athlete
- Sports Participation

Students may request to have their directory information blocked from being released by completing the Restrict Directory Information Form and returning it to the Enrollment Services Office located in J Building, Mays Landing Campus.

Students who elect to withhold disclosure of this category of information must conduct all College business in person with a photo ID card. Such students’ names will be published in the commencement program unless the student requests exclusion in writing. Students in this category are eligible to use WebAdvisor for transactions including registration, which are protected by a personal identification number (PIN). Former students may not place a new request for nondisclosure of directory information on their educational records; however, they may request its removal.

Requests for the release of Directory Information must be submitted in writing to the Registrar, Atlantic Cape Community College, 5100 Black Horse Pike, Mays Landing, NJ 08330-2699.

Atlantic Cape’s Student Guide to FERPA provides more information. A printed copy of the brochure is available at all college locations. For more information on FERPA, visit the U.S. Department of Education website: [US Dept. of Education/FERPA](http://www.ed.gov/policy/federalpolicy/ferpa.html)

Refunds of payment card transactions must be made as a refund to the same payment card.

REGISTRATION

Students may register by fax, online or in person during the dates and times stated in the semester course guide. It is important all students seek the aid of a faculty member, advisor or counselor in course selection.

Unemployed persons, SAGES (Senior Adults Gaining Education and Stimulation) and fire, first aid or rescue squad volunteers must register for College credit courses in person on the designated date.

No one is permitted to attend a class without being officially registered for the course. Arrangements for a one-time visit to a class can be made through the Admissions Office.

REPEATING A COURSE

Students may repeat a course for credit with this restriction: No course may be taken a third time without the permission of the appropriate academic dean. All attempts will appear on the transcript, but only the
highest grade will be calculated in the semester or cumulative grade point average (for courses taken after 1997).

- If students repeat a course for credit in which the final grade of the original attempt was A, B or C, the higher of the grades will be used.
- A course in which a student received a grade of W, NA or AU, and elected to take again, is not considered a repeated course.
- Courses transferred in from other institutions will not repeat Atlantic Cape courses.

SEXUAL HARASSMENT AND AFFIRMATIVE ACTION

Atlantic Cape Community College prohibits sexual harassment by any member of the faculty, staff, student body, independent contractors or vendors on any of the three College campuses. The policy of the College reflects a desire to create and maintain an environment for work and study that permits all employees and students the opportunity to pursue an education or career in which they can progress on their merit and ability.

The sex discrimination provisions of Title VII of the 1964 Civil Rights Act prohibit sexual harassment in the workplace. Sexual harassment in the classroom or in student-related activities is prohibited by the sex discrimination provisions of Title IX of the 1972 Education Amendment.

The U.S. Equal Employment Opportunity Commission (EEOC) has defined harassment on the basis of sex as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, evaluation or grade;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment, evaluation or grade decisions affecting such individuals; or
3. Such conduct has the purpose or effect of substantially interfering with an individual's work or school performance or creating an intimidating, hostile or offensive working or learning environment.
The office coordinates efforts to eliminate discrimination including the investigation of any complaint filed by a student or employee. Students, faculty or staff members who feel they have been the subject of possible discriminatory treatment may file a complaint with the Office of Affirmative Action. For more information, contact College’s Affirmative Action Office, 5100 Black Horse Pike, J Building, Mays Landing, NJ 08330, (609) 343-5670.

MEGAN’S LAW AND REGISTERED SEX OFFENDERS

V.A.W.A. STATEMENT

The Violence Against Women Reauthorization Act (VAWA) and the Campus Sexual Violence Elimination Act (SaVE) mandates that colleges must include dating violence, stalking and domestic violence in addition to other offenses reported under the Clery Act.

Two new categories have been added to the Hate Crime Reporting categories under the Clery Act; gender identity and national origin. If the preponderance of evidence suggests that a crime was motivated by a bias towards these or previously defined categories, it will be processed as a hate crime.

If you have been the victim of any of these offenses while on College property or at a College-sponsored event, please follow the reporting guidelines listed in your Student Handbook under Sexual Harassment and Affirmative Action.

You may speak to a counselor confidentially about your options (however, if you are under the age of 18 your conversation is not confidential and all accusations are reported to appropriate authorities).

You can reach a counselor by calling (609) 343-5641 at the Mays Landing Campus, (609) 343-4859 at the Atlantic City Campus, or (609) 463-8113 at the Cape May County Campus. Counselors also see students on a walk-in basis at all campus locations.

SMOKING POLICY

Smoking, including vaping, is prohibited inside all buildings, including hallways, stairwells, restrooms and other common areas. The New Jersey Smoke-Free Air Act (Act), N.J.S.A. 26:3D-55 prohibits smoking in an indoor public place or workplace.

Violators will be subject to disciplinary action, which includes:

- Violators will be called before the Judicial Officer.
- Normal administrative disciplinary procedures or the appropriate negotiated agreement grievance procedures will prevail for employee violators.
- All violators are subject to laws governing smoking in public places.
Complaints may be addressed as follows:

- Students should direct complaints or inquiries to the Judicial Officer.
- Employee complaints or inquiries should be directed to the immediate supervisor.
- In addition, anyone may register a complaint with a Security officer.

Supervisors and managers will be responsible for enforcing this policy in the same manner as other College policies.

Student publications provide an opportunity for expression of student opinion.

Allow approximately two hours when taking the test. Students must apply to the College through the Admissions Office before sitting for the test. The test scores are valid for four years. Students may retest only once after a 30-day time period has lapsed. There is a retesting fee. If ADA accommodations are needed for the next generation ACCUPLACER, please contact the Center for Accessibility at (609) 343-5680, and/or cfa@atlantic.edu.

For exceptional circumstances, students may inquire about resting after a 90-day time period has lapsed through the Testing Office.

TRANSFER/ARTICULATION AGREEMENTS
Transfer, articulation, and reverse transfer agreements are partnerships between two-year and four-year colleges that allow the smooth transition of students from community colleges to four-year institutions in specific programs or areas. Atlantic Cape is continually working with other colleges to create new agreements that will aid student transfers. Several of the agreements are unique. For more information visit the website and Articulations or Transfer Agreements, or call Wendy Young-Gray at (609) 463-6786 for more information.

TRANSFERRING TO OTHER COLLEGES
Students planning to transfer to another college should meet with a program advisor on a regular basis. Transfer counselors/advisors are available to assist students with specific college’s recommended/required course selections.

Students are encouraged to use NJ Transfer, a Web-based data information system designed to provide a seamless transfer from New Jersey community colleges to New Jersey four-year colleges and universities. At the NJ Transfer website, www.njtransfer.org, students can:

• Learn which courses to select at the community college.
• See course equivalencies for transfer courses.
• Discover how these courses will satisfy the degree and major requirements at NJ four-year colleges and universities.
• Find links to NJ two- and four-year college websites.
• Obtain information on admissions, financial aid and scholarships, and transfer events throughout the state.

STUDENT TRANSFER APPEALS
All student-initiated transfer appeals must be submitted in writing to Wendy Young-Gray, Program Officer, Cape May County Campus Services, within 30 days of receiving an evaluation of transfer credit.

1. Program Officer will refer student-initiated appeal request to appropriate transfer counselor/advisor who will review the appeal and attempt to work out a resolution. Before a final decision is made, the transfer counselor/advisor will be required to contact the college or
university on the students’ behalf as a final attempt in negotiating a resolution. However, the
decision of the receiving school is final. The student will receive a decision to their appeal
request within two (2) weeks of submitting their appeal.

2. Once a decision is rendered on an appeal, the student will receive written notification of the
outcome of the appeal. Though a student can be notified by email, written notification is also
required.

Appeals Process under the Comprehensive Statewide Transfer Agreement: Each baccalaureate institution
shall have a procedure through which a transfer student can appeal a decision that he/she believes is not
consistent with this Agreement. The procedure shall be published in the institution’s catalog, student
handbook, and website. A student who wishes to appeal a decision must file that appeal with the
baccalaureate institution through that procedure. Such appeal must be submitted by the student within 30
days of receiving the decision in question. The baccalaureate institution will provide a decision to the
student within 60 days of receipt of the appeal. The decision of the baccalaureate institution is final.

The relevant community college will be informed of the nature of the appeal and the decision by the
baccalaureate institution.

TUITION AND FEES

All tuition and fees must be paid in full. Cash, checks, money orders, American Express, Discover, and Visa
are accepted forms of payment. Checks or money orders must be made payable to Atlantic Cape
Community College. E-Checks and the above credit cards are accepted online through WebAdvisor/Student
Finance.

Registrations for summer or spring terms will not be processed unless payment in full is submitted by the
published due date, a payment plan is arranged for spring term or the Financial Aid Office has approved
financial aid deferments. Registrations for the fall term are accepted without payment until the published
balance due date. A student is considered registered and liable for tuition and fees unless the student
withdraws in writing or through WebAdvisor before the semester start date. Making registration changes,
failing or withdrawing from courses may result in the return of financial aid, scholarships or third party
sponsor payments. Any balance becomes the responsibility of the student.

Tuition and fees are charged on a per-credit basis. Costs for a course may include laboratory fees, plus
mandatory insurance fees for full-or part-time students. For a current listing of tuition and fees, visit
http://www.atlantic.edu/admission/costs.php or contact the Office of the Bursar at bursar@atlantic.edu.
