V. CALL TO ORDER EXECUTIVE SESSION

Chairperson Talvacchia said that the executive session would be held at the end of the regular meeting.
VI. CALL TO ORDER REGULAR SESSION

Chairperson Talvacchia stated that there would be a change in the agenda order so Dr. Mora could present two items from his President’s Report.

Dr. Mora said that he would recognize the Honorable Joseph Silipena, outgoing Chairman of the Atlantic County Board of Chosen Freeholders, with a resolution of appreciation and show a video on the Atorkor (Ghana) Book Drive with comments from Professor John Atsu-Swanzy.

Chairperson Talvacchia read Resolution #27A honoring Mr. Silipena for his commitment to the residents of Atlantic County and specifically to the students, faculty and staff of the college.

Chairperson Talvacchia moved and Dr. Dworsky seconded the following:

WHEREAS, Atlantic Cape Community College, as an entity within Atlantic County, has benefitted from a longstanding relationship with the Atlantic County Board of Chosen Freeholders, and

WHEREAS, the Honorable Joseph Silipena, Chairman of the Atlantic County Board of Chosen Freeholders, has provided leadership to the County and has advocated the mission of Atlantic Cape Community College throughout the past 15 years he has served as a representative of the people, and

WHEREAS, Chairman Silipena’s advocacy for a comprehensive, accessible and superior community college has been evidenced by his service on the Board of School Estimate Committees, the Blueprint 2020 Capital Formation Group, and Annual Commencement Ceremonies, and

WHEREAS, Chairman Silipena’s public service also includes time spent as Mayor of Egg Harbor City, Councilman for Egg Harbor City, Chairman of the Egg Harbor City Salvation Army, representative to the South Jersey Transportation Planning Organization and the South Jersey Economic Development District, member of the Atlantic County Mainland Chamber of Commerce, Egg Harbor City Knights of Columbus, South Jersey Field of Dreams, Galloway Township Lions Club and UNICO National, and

WHEREAS, Chairman Silipena’s commitment to responsible citizenship and serving the public is consistent with the mission of Atlantic Cape Community College.

THEREFORE BE IT RESOLVED, upon the recommendation of the President, that the Board extends its sincere gratitude to Chairman Silipena for his ongoing commitment to the residents of Atlantic County and, specifically, the students, faculty and staff of Atlantic Cape Community College.

ROLL CALL: AYES, NO NAYS

Chairperson Talvacchia presented Mr. Silipena with a framed copy of the resolution.

The Board applauded.

Dr. Mora stated that Mr. Silipena worked closely with the college over the last two years on the Blueprint 20/20 Facilities Master Plan. Dr. Mora said that he has worked closely with Mr. Silipena and he has been an advocate for the college, students and our mission. He noted that Mr. Silipena was committed to the college and Mr. Silipena's leadership with the Atlantic County Board of Chosen
Freeholders allowed the college to work with them on an individual basis. Dr. Mora said, “Mr. Silipena opened up the doors and advocated for our project. We would not be here if not for the leadership of Mr. Silipena.”

Dr. Mora asked Mr. Silipena if he had any comments.

Chairperson Talvacchia presented Mr. Silipena with a framed copy of the resolution. “Thank you for your service to the college and the county,” said Chairperson Talvacchia.

The Board applauded.

Mr. Silipena thanked Dr. Mora and the Board for the resolution stating that it is a pleasure working with Dr. Mora and the Board members especially in making recommendations to the Atlantic County Board of Chosen Freeholders for the college Board member appointments. He noted his support for the funding of the Blueprint 2020 Master Plan but credited Dr. Mora for getting the vote of approval. “Thank you for all you and the Board do for the citizens of Atlantic and Cape May counties,” said Mr. Silipena.

The Board applauded.

Dr. Mora stated that Mr. Silipena will receive an honorary degree at the college’s 2009 commencement.

**Secretary’s Note:** After Mr. Silipena and Dr. Mora took pictures, Mr. and Mrs. Silipena left the meeting.

Dr. Mora asked Dean Wexler to address the next item on his report--the Atorkor, Ghana book drive while Ms. Williams showed the video of the village receiving the books last year.

Dean Wexler said the Atorkor book drive is largely inspired by Professor John Atsu-Swanzy who is a native of the Atorkor village. This initiative was supported by the library staff under the direction of Associate Dean Grant Wilinski; the Rotaract student club, Ms. Thanavanh Khattiya, Service Learning student; and Professor Paula Manns. The Black Cultural Interest Club of Absegami High School also participated. Dean Wexler said in order to reinforce the efforts of Professor Atsu-Swanzy there were several initiatives from the college student body. We addressed several service learning goals—to promote responsible citizenship and to impact with faculty committees such as the International Education and Multi-Cultural Affairs Committee—Dean Wexler shared. The drive met a substantial need in the Atorkor Village. It also enhanced the service efforts of the students and faculty involved. Dean Wexler said, “The college community should be proud of their efforts.”
Professor Atsu-Swanzy said the video shows over 3,000 books and other accessories given by the college being presented to the village by the leaders. “The village was very thankful to the Board, President Mora, faculty, staff and student body for this donation of books. This was very significant for the village since they never heard of a library, said Professor Atsu-Swanzy.

Dr. Mora asked the Board if they had any questions for Professor Atsu-Swanzy.

Dean Wexler stated that although Professor Atsu-Swanzy was humble about his role in this endeavor, he was the leading force behind getting this done. Dr. Wexler then asked Associate Dean Grant Wilinski to talk about the library’s role in this project.

Dean Wilinski said that he was proud of how the library staff from the three campuses took on this project. After the books were dropped off, they logged and stored them then the staff took the personal initiative to complete the project.

A video was shown of the village dignitaries thanking and honoring Dr. Mora and the college for the donation of books. The video showed the families crowding around the stacks of boxed books.

Dr. Mora said Professor Atsu-Swanzy’s life is an example of the American dream. He went back to take care of the village where he grew up. “The college is proud of John for his humanitarian efforts,” said Dr. Mora.

Professor Atsu-Swanzy thanked Dr. Mora for his comments.

Secretary’s Note: After Professor Atsu-Swanzy, Dean Wilinski and Ms. Khattiya took pictures with Dr. Mora, they left the meeting.
