ROLL CALL: ALL AYES, NO NAYS

Mr. Talvacchia stated that Resolution #64, FY 2006-2007 revenue budget, and Resolution #65 Revised, Tuition Rate and Fee Schedule FY 2007, would be given together. He stated that the Budget, Finance and Audit Committee considered both resolutions at their meeting last week and recommend them for adoption.

Dr. Mora stated that prior to moving on the resolutions he would give a budget statement.

Dr. Mora said that as president this was his first college budget. He wanted the Board to recognize current conditions of the funding sources. There are four funding sources for the college—students, Atlantic and Cape May counties, the state of New Jersey and our own ability to raise funds through advancement and contract training. Our funding is 50% from students, 23% from the counties, 20% from the state and 5% from our internal efforts. We need to reserve a reasonable fund balance—a range of 2.5 to 3 million dollars. This includes many tough decisions with respect to the
Nursing Program moving from a deficit to one that is at least on a true-cost basis. He noted that this was a major change in funding for the college’s nursing program.

Dean Skinner stated that in preparing the budget they looked at both sides.

Mr. Talvacchia and Dr. Dworsky complimented Dr. Mora, Dean Skinner and her staff on the level of expertise that went into preparing the budget.

Mr. Talvacchia moved and Ms. Long seconded the following.

WHEREAS, the Budget, Finance and Audit Committee has reviewed the FY 2007 proposed budget developed to meet the requirements of the college for FY 2006-2007, and

WHEREAS, the college has projected current revenues and expenditures for educational and general purposes to be $34,964,625 (see attached), and

WHEREAS, the college budget request includes a county appropriation of $7,782,983, and

WHEREAS, the Atlantic Cape Community College Board of School Estimate meeting will be scheduled to set the college appropriation.

THEREFORE BE IT RESOLVED by the Atlantic Cape Community College Board of Trustees that the FY 2006-2007 revenue budget be approved contingent on a county appropriation of $7,782,983.

ROLL CALL: ALL AYES, NO NAYS

Mr. Talvacchia moved and Dr. Dworsky seconded the following.

WHEREAS, the college has considered the FY 2007 current revenue and expenditure budget, and

WHEREAS, the college has considered inflationary and incremental increases in the current expenditures, and

WHEREAS, the administration is recommending an 8% increase in general education and culinary tuition (see attached), and

THEREFORE BE IT RESOLVED that, upon the recommendation of the President, the Board of Trustees approve the following tuition and fee schedule commencing with the summer session of 2006.

B. President’s Report: Dr. Mora stated that he had five items to present. The three below are informational:

- Middle States update,
- Dr. Mora is a keynote speaker at the North Eastern Association of Two-Year Colleges’ national convention on April 6 in Atlantic City,
- Dr. Mora is a panelist on leadership of community college CEO’s at the American Association of Community Colleges on April 21-24 in Long Beach, CA.

There will be two presentations one from Dean Hedges on text messaging and the other from Dean Carmen Royal on Black History Month summary.

Dr. Mora wanted to remind the Board of the March 26 evening reception at the Sheraton with the Middle States Committee which is part of the Middle States visit.

Invitations will be mailed. He asked Board members to attend the March 28 morning meeting (only 45-minutes) to meet with one of the Middle States administrators charged with board governance.

Dean Hedges mentioned that the college now provides text messaging access for students, employees and the community on all three campuses.

Dean Carmen Royal introduced Mr. Adam Hill, Student Government Association President.
Dean Carmen Royal said that the activities were successful for Black History Month. She showed a video of one of the month's activities at the Cape May County Campus—a private collection of historical and cultural artifacts from the African American Heritage Museum Traveling Exhibit from Newtonville and a presentation by Mr. Ralph Hunter. About 55 elementary school children attended the event.

IX. REPORTS OF COMMITTEES AND INDIVIDUAL TRUSTEES

A. ACCC Foundation: Dr. Monillas gave the following report on the February 28, 2006, foundation meeting.

- The foundation has recently accepted a $10,000 gift from Vincent and Clare Sabatini, long-time members of the local restaurant community and active participants in the Restaurant Gala. The funds will be used to create a scholarship endowment at the college.
