Atlantic Cape Community College’s Security Department has as its primary responsibility the safety and security of students, visitors and faculty/staff on the school’s main campus and its extension centers in Atlantic City and Rio Grande. The campuses at Mays Landing and Atlantic City are staffed 24 hours a day, 365 days a year. The Cape May County Extension Center is staffed Monday-Thursday, 5 p.m.-closing.

Security encourages the campus community to report all suspicious activity or crimes by:

1. Using the security phones located in all buildings. These ring directly to security, unless otherwise posted.
2. Contacting a guard on patrol.

All reports of crime will be fully recorded, investigated and reported in accordance with the laws and regulations of the State of New Jersey and in accordance with the definitions used in the Uniform Crime Reporting System of the Department of Justice, Federal Bureau of Investigation. The Department works closely with the N.J. State Police, the Hamilton Township Police Department (Mays Landing campus), Atlantic City Police Department (City Center), and the Middle Township Police Department (CMCEC).

The Security Department reports all criminal incidents to the local police department, which compiles a monthly Uniform Crime Report (UCR) that is sent to the N.J. State Police. The reports are then forwarded to the FBI.

Security guards are primarily responsible for regulating the flow of traffic on the college’s campuses, enforcing parking regulations and providing building security. These uniformed security guards are certified in cardiopulmonary resuscitation and first aid. Trained radio dispatchers provide immediate radio communication with guards on patrol.

Facility Access/Safety

Since it is a public institution, most ACCC facilities are open to members of the community, with varied levels of access. Lighting in all buildings and public areas is inspected and maintained daily. Guards regularly patrol all buildings and parking lots.

The college maintains no on-campus housing.

Drug and Alcohol Awareness

A brochure is disseminated to all students and employees each year on college drug and alcohol procedures in accordance with public law 101.226.

Drug and alcohol education and counseling are provided by the college’s counseling staff. The Student Services area offers seminars, workshops, conferences and personal awareness campaigns on the social, emotional, legal and biological hazards of substance abuse and chemical dependency. A segment of instructional time will be used each semester to present information on substance abuse.

Sexual Offense Awareness

A brochure is distributed to all students and employees each year on college sexual offense procedures in accordance with federal regulations.

The campus sexual assault program information and counseling are provided by the college’s counseling department and affirmative action/office. These areas offer workshops, conferences and personal counseling on the college’s policy and procedures and student and employee rights.

Security Escort

Upon request, ACCC’s Security Department may escort individuals to their cars on the Mays Landing campus and at the Atlantic City Center. This service is available by calling ext. 5125 on the campus, ext. 4840 at the City Center or by stopping at the security desk or station on the respective campus.
This information is provided to you as required by the Campus Security Act of 1990.
