Institutional Effectiveness

Committee Charges

Maintain and oversee college-wide implementation of the College's Institutional Effectiveness Plan by:

- Ensuring that Institutional Goals identified in the College's 2004-2009 Strategic Plan are being assessed.
- Ensuring that assessment of student learning outcomes is occurring at the institutional, program and course level.
- Ensuring that assessment results are linked and being used for institutional planning, budgeting, decision making and process improvement.
- Providing guidance to and ensuring progress of College's divisions and cross functional planning committees in the development and implementation of their assessment plans and processes.
- Reviewing and recommending Institutional Performance Indicators and its benchmarks. Identify opportunities for improvement and areas of concern, make recommendations to the President and Senior Staff about strategic priorities from the assessment of these indicators.
- Advising the President and Senior Staff about new needs and opportunities to improve the College's Institutional Effectiveness Plan.
- Ensuring a reliable, effective and timely response to requirements and recommendations, suggestions regarding MSCHE Characteristics of Excellence standards.
