ACADEMIC ADVISEMENT

Academic planning and course selection are critical factors leading to student success. Atlantic Cape's academic advisors in the Career and Academic Planning Center work with students majoring in liberal arts, general studies or who are in pre-program allied health courses. An advisor will review program plans, transfer options and help select appropriate courses. It is important to see your advisor whenever changing majors or selecting courses for transfer to other colleges or universities. Call (609) 625-1111, ext. 5621, or (609) 343-5621 or (609) 463-8114 for scheduling information. A student working with a faculty advisor should schedule an appointment with him/her for academic advising. Early advisement enables students to have an optimum selection of courses.

The CAP Center is located in J lobby, next to the Admissions office, on the Mays Landing Campus. Call (609) 343-5621 or (609) 625-1111, ext. 5621, for more information.

To speak to an academic advisor at WACC, call (609) 343-4893.

To speak to an academic advisor at CMCC, call (609) 463-8114.

ACADEMIC HONESTY/PLAGIARISM

Atlantic Cape expects unwavering integrity from students in submitted work. Acts of cheating or plagiarism will not be tolerated and the student will be subject to disciplinary action as detailed below. Students are required to give credit to all individuals who contributed to the completion of any assignment. Specific sources of all information, ideas and quotations not original to the author of the assignment must be referenced. These references must be cited using standard methods such as those taught in ENGL101-Composition I and ENGL102-Composition II or other formats as specified by the instructor. If group work on an assignment is permissible, specific authorization and instructions pertaining thereto must be provided in writing by the instructor.

It should be noted that persons facilitating plagiarism or cheating by another student are equally culpable and such persons may also be subject to penalties similar to those stipulated below. Examples of such facilitation include, but are not limited to, the following:

- 1) A student gives a copy of a past assignment, such as a term paper, to a second student with the understanding that the second student may use the assignment as his/her own work.
- 2) A student observes or has other first-hand knowledge of cheating or plagiarism and fails to report same to the instructor.

All students are reminded that they have an ethical responsibility to guard the academic process against corruption by such acts of

dishonesty. In addition to the above, students must follow all course-specific or instructor-specific procedures established for examinations, laboratory experiments, reports and projects.

Note: The absence of instructor-specific or course-specific instructions is not to be interpreted as giving “free rein” to such obviously dishonest acts as copying from another’s paper, plagiarism or using references during a test.

AN INSTRUCTOR MAY OPT TO SUBSTANTIALLY ADD TO THIS POLICY BUT MAY NOT DELETE OR WEAKEN PROVISIONS STATED HEREIN.

The following penalties apply in cases of cheating or plagiarism:

- 1) The instructor may assign a grade of “F” or “0” for an assignment OR the instructor may assign a grade of “F” for the course in cases of repeated dishonesty or in such cases where the assignment in question is so central to the evaluation process that failure in the assignment would preclude any reasonable possibility of the student passing the course.
- 2) All confirmed breaches of academic honesty will become part of the student’s permanent academic record. Two such offenses will constitute grounds for Academic Dismissal. Said dismissal will be for a duration of no less than two years. After two years, the student may apply for readmission, but this may be attempted only once. Upon readmission, any further act of dishonesty will result in permanent dismissal.

The instructor must, in every case, submit a written report to the appropriate academic dean outlining the action he/she has taken and include appropriate documentation. After review, the academic dean will forward the report to the Vice President of Student Affairs and Vice President of Academic Affairs. The Vice President of Student Affairs sends a letter and a copy of said report and documentation to the student.

The student has two independent avenues of appeal.

The student may appeal the grade through normal channels involving the following steps for purposes of mediation and/or resolution:

- Level I:** Student meets with faculty member
- Level II:** Student meets with the appropriate dean
- Level III:** Counseling and Support Services Director presents case to the Academic Standards Committee. Or the student may appeal the allegations of dishonesty and the specific penalties related thereto to the Student Grievance Committee via the Vice President of Student Affairs.

Or the student may appeal the allegations of dishonesty and the specific penalties related thereto to the Student Conduct Appeals Committee via the Director of Counseling.

The normal time frame is as follows. The student has 10 days from the receipt of the faculty member’s report to appeal. This appeal must be in writing and should be directed to the Vice President of Student Affairs.

ACADEMIC STANDARDS

Standards of Satisfactory Academic Progress

In accordance with state and federal laws and regulations, Atlantic Cape has adopted a satisfactory academic progress policy. Students are required to make progress toward the completion of their degree or certificate. Academic progress is evaluated at the end of each academic year.

To be in “good academic standing,” students must maintain a minimum 2.0 overall grade point average (GPA). Satisfactory academic progress must also be maintained. Students whose overall GPA falls below the minimum 2.0 will be placed in academic jeopardy on warning, probation or suspension status assigned at the prerogative of the College.

Academic Standards Classifications		
Credits Attempted	GPA	Status
12 – 16	0 – .50	Probation
	.51 – 1.99	Warning
17 – 30	0 – .59	Suspension
	.60 – 1.39	Probation
	1.40 – 1.99	Warning
31 – 48	0 – 1.00	Suspension
	1.01 – 1.79	Probation
	1.80 – 1.99	Warning
49 or more	0 – 1.59	Suspension
	1.60 – 1.79	Probation
	1.89 – 1.99	Warning

Academic Warning

This classification indicates that a student has below the minimum 2.0 grade point average (GPA) required to be in good academic standing. Based on the potential for a lower GPA or not completing coursework, it is strongly recommended that the student seek academic counseling in the Counseling and Support Services office.

Academic Probation

This classification involves the restriction of course enrollment to a part-time enrollment status until the overall GPA reaches the cut-off standard (See Academic Classification Chart). Students placed on Academic Probation will have a hold placed on their account prohibiting enrollment in more than 11 credits (12 credits is the minimum for full-time enrollment status). Students are strongly recommended to work closely with a counselor so that factors leading to the unsatisfactory academic performance can be discussed.

Academic Suspension

This classification prohibits College enrollment for a period of two semesters (one academic year). The student will be on Academic Probation for one semester upon return. The student must meet with a counselor after completing the first semester to determine if the Academic Warning status can be lifted.

Academic Standards Appeals

Students placed in any of the above academic classifications may appeal such placements to the Academic Standards Committee. Upon written notification of academic classification, each student will be given notice of their right to an appeal, appropriate contact information, instructions for requesting an appeal, and appropriate scheduling information. Upon being granted this opportunity, students may submit their appeal in writing or in person. The committee will judge each case and state its findings to each appellant regarding its disposition of either upholding or reversing the assigned academic status.

Cash, VISA, MasterCard, American Express and Discover are accepted. Personal checks, with proper identification, are accepted for the exact amount of purchase, maximum \$500. An actual credit card must be presented at time of purchase. The name imprinted on the card must match the name of the customer presenting the card. The bookstore will obtain and verify the cardholder signature. If there is no signature, a photo ID must be shown.

Financial aid book check vouchers issued to students through the college will be available, generally beginning the first week of the semester.

The store hours are available at each store location and online. Additional hours will be scheduled during the first two weeks of the fall and spring semesters. Dates and times can be obtained by calling the bookstore at your campus.

COUNSELING SERVICES

Counseling can be one of the most important resources available to you while attending college, whether you are a recent high school graduate, returning adult, transfer student or veteran. Counseling can be essential in assisting you in the achievement of your educational and/or career goals.

A counselor can help you navigate obstacles that may interfere with your academic progress, choose an appropriate degree program that aligns with your career goals, help develop a resume and cover letter, and assist with the transfer process.

If you are faced with challenges you find difficult to handle alone, such as personal issues, alcohol and/or substance abuse, feelings of depression and/or despair, come meet with a counselor. There is no cost to meet with a counselor and counselors adhere to ethical guidelines regarding confidentiality. Students are referred to community providers if long-term counseling or services are appropriate.

Counseling services are available at all three campuses. Call (609) 343-5667 to schedule an appointment with a counselor.

COUNSELING & SUPPORT SERVICES

The Counseling and Support Services area is located on the Mays Landing Campus. The area consists of five academic support programs

to help eligible students attain their academic goals. The programs are the Disability Support Services (DSS), Educational Opportunity Fund Program (EOF), Student Support Services Program (SSS), New Jersey STARS (NJS) and Student Leadership programs (ACCESS, Leadership Education and Development {LEAD}, Men of Atlantic Cape {MAC}, Marjorie Ward Scholars {MWS} and Peer Mentor).

The programs offer a variety of services that include, but are not limited to: counseling, academic advisement, monitoring of academic progress, assistance with the transfer process, and cultural activities.

Also see Educational Opportunity Fund, Leadership Programs, New Jersey STARS, Special Needs and Student Support Services.

COURSE DROP/ADD OR CHANGES

Changes in registration may be made during the first week of the fall or spring semester at any of the Atlantic Cape locations by completing a registration / course change form in person, by fax or mailing the change. You may also make changes via the Web. Dates to change registration status vary for culinary blocks or for any course that meets outside the regular semester schedule. The date of the change determines the amount of any eligible refund.

The effective date of the change will be the date the request is received in person; the postmarked date, if mailed; or the date the transaction took place online.

To be registered into a closed course, students must have an overload form signed by the faculty member.

Students may withdraw from a course but should do so only after a conference with a counselor or advisor. Students who wish to withdraw from courses may do so in writing until the 10th week of the fall or spring semester or by dates indicated for summer sessions. A grade of "W" will be assigned for each course. "W" grades are not computed in students' grade point averages. Withdrawing from class may affect financial aid awards.

Not attending classes or stopping payment of a check does not constitute an official withdrawal. These students will receive an "F" grade and will be responsible for course costs.

Also see **Leave of Absence**.

CREDIT AMNESTY PROGRAM

A student may petition the Academic Standards Committee for Credit Amnesty, whereby a student's previous academic record may be expunged. To be eligible a student must have a four-year break in enrollment from Atlantic Cape and have re-entered and completed a

minimum of 12 credits of college-level courses at Atlantic Cape with grades of “C” or better. Applications must be submitted online at <http://www.atlantic.edu/studentServ/creditApplication.html>.

Credit Amnesty can only be granted once during your tenure at Atlantic Cape.

CULTURAL EVENTS

Part of Atlantic Cape’s mission as a community-oriented institution is to contribute to the area’s cultural life. The Student Activities area brings lectures, plays and musical programs to Atlantic Cape’s campuses. Call (609) 343-5010 for more information.

DISABILITY SUPPORT SERVICES

Atlantic Cape provides reasonable accommodations to students with documented disabilities. Students are strongly encouraged to request accommodations at the time of admission to ensure ample time to arrange accommodations. Students are required to submit current documentation to determine eligibility in accordance with Section 504 of the Rehabilitation Act of 1973, as amended and the Americans with Disabilities Act.

Assistive Technology equipment is located at the campus libraries. For additional information, contact Chad Bullock at cbullock@atlantic.edu or (609) 343-5107.

Placement Testing for Students with Disabilities

If a student with a documented disability needs accommodations to take the Placement Test (ACCUPLACER), contact the Disability Support Services office four weeks prior to scheduling an appointment for the test to arrange accommodations. The test is also available in alternate formats for students with visual impairments. Call (609) 343-5090 or email lmcglynn@atlantic.edu for additional information and to request accommodations.

DRUG AND ALCOHOL EDUCATION

Counselors are available to assist students seeking to resolve chemical dependency with issues that may interfere with their academic progress. Students are referred to appropriate treatment facilities, agencies or self-help groups for treatment. Assistance is fully confidential and will not jeopardize enrollment or legal status.

EDUCATIONAL OPPORTUNITY FUND (EOF)

The Educational Opportunity Fund is a comprehensive state-funded program that offers academic support services to a select group of eligible students who exhibit the potential to be successful in college although they may lack the finances and/or academic preparation.

Program participants are motivated to become lifelong, independent learners with the tools necessary to meet the challenges presented by a competitive society. This goal is reached by providing counseling, mentoring, tutoring, workshops/seminars, financial assistance, academic advisement, monitoring academic progress, transfer assistance and student leadership activities.

Applications are available at the Counseling and Support Services office on the Mays Landing Campus, the Student Development offices at the Atlantic City and Cape May County campuses, or online at <http://bit.ly/2aelFe1> Call (609) 343-5646 for more information.

EMERGENCY CLOSINGS/CANCELLATIONS

Cancellation of a class may be necessary because of the sudden illness or unexpected absence of an instructor too late for a substitute to be assigned. Students will be notified of the cancellation by a notice posted on the classroom door or delivered in person by another instructor or in advance at www.atlantic.edu/cancellations/.

Further study assignments may be distributed by the same means. In the event of the cancellation of an evening class, efforts will be made to contact students in advance by telephone.

If an instructor is late for a class, students should wait at least 10 minutes after the scheduled starting time of the class. After such time, students may leave without prejudice, but one student should inform the Faculty Support Office of the instructor's absence: Mays Landing – Room A-128, Cape May County Campus – Room 335, Worthington Atlantic City Campus – Room 255.

In the event of bad weather or other emergency, Atlantic Cape campus closings are announced on the homepage, Facebook page, Twitter account, via TxtAlert and carried over local radio stations.

These should be noted carefully as the closings may be for different sites or morning, afternoon or evening classes only. If a "delayed opening" is announced, the College will open at 11 a.m. Radio stations in Philadelphia use the number 918 for day, and 2910 for evening cancellations.

Atlantic Cape feels that students have the right to decide whether extreme weather and road conditions prevent them from attending classes when the College is open. Students who miss a class must still complete assignments.

Radio stations carrying closing announcements include:

FINANCIAL AID

Education after high school costs time, money and effort. It is an investment for which you and your family are responsible, but may not be able to meet financially.

Atlantic Cape participates in federal and state financial aid programs designed to assist students and their families in meeting their educational expenses. Grants, loans, work assistance and scholarships are available to those who qualify. A financial aid package may contain all types of assistance.

All records and conversations between an applicant, the applicant's family and the financial aid staff are confidential and are entitled to the

same protection as a counseling relationship. No information concerning a student's financial aid records will be released to anyone outside the Financial Aid office without the permission of the student, the student's parents or the financial aid director as circumstances may dictate.

A detailed Financial Aid Handbook is available from the Financial Aid and Veterans Services Office, J Building, first floor, Mays Landing Campus and the Financial Aid Offices at the Atlantic City and Cape May County campuses, or visit us at www.atlantic.edu/finaid.

Please refer to it for more complete information on applying for aid and for various program deadlines.

General Eligibility Requirements

To be eligible for financial aid, students must:

- have a high school diploma or GED.
- be enrolled in a degree or eligible certificate program.
- demonstrate financial need.
- maintain satisfactory academic progress; (see our website at www.atlantic.edu) and submit all required documentation within the specified deadlines.
- not be in default of a federal student loan.

Applying for Financial Aid

To apply for any type of financial aid, including loans, students must file the Free Application for Federal Student Aid (FAFSA), available online at www.fafsa.ed.gov. Early filing of the FAFSA is recommended by Oct. 1 for spring semester and by May 1 for fall semester. Returning students should apply by April 1 to qualify for state aid. Atlantic Cape's code number is **002596**. All students interested in New Jersey State aid must also complete additional questions on the FAFSA for the New Jersey Higher Education Student Assistance Authority (NJ HESAA) to see if they are eligible for the Tuition Aid Grant (TAG) from the State of New Jersey. The Student Eligibility Notice (SEN) will alert you if you appear eligible. When you receive this notice, check that Atlantic Cape is the school listed on it.

All financial aid students are required to go to their Atlantic Cape Buccaneer email accounts to check for messages and alerts. Buccaneer email is utilized for all financial aid correspondence and it is the student's responsibility to ensure their accounts are reviewed regularly. Eligible students will receive a letter or email via their college Buccaneer email account from Atlantic Cape's Financial Aid and Veterans Services office indicating how to access their award notification. Semester tuition and fees are deducted from eligible aid. If a student has remaining eligibility, a book check voucher may be

issued, generally during the first week of the semester.

Remaining aid will be dispersed and refunded mid-semester. To be considered for a book voucher, the Financial Aid and Veterans Services Office must have received processed financial aid forms and all other required documentation 30 days prior to the first day of the semester.

Students have the right to know:

- the criteria used to select recipients.
- the method used to determine financial aid.
- the components of the cost of attending Atlantic Cape.
- what percentage of needs was met.
- what types of financial aid programs are available and how to apply.
- how and when financial aid is paid.
- how their satisfactory academic progress is determined.

Students are responsible for:

- maintaining satisfactory progress in their academic programs; detailed information is available through the Financial Aid Office.
- registering for coursework that is required for declared degree program.
- reporting aid received from outside sources to the Financial Aid and Veterans Services Office.
- notifying the Financial Aid and Veterans Services Office of withdrawals or leaves of absence from College. (Withdrawal may result in a pro-rated adjustment of students' awards. Students who receive a grade of NA (never attended) or receive all grades of "F," may also have their financial aid awards adjusted.)
- repaying any overpayments.
- providing all information and documentation requested while still enrolled.
- notifying the Financial Aid and Veterans Services Office and Enrollment Services of any changes in name, address, email address or telephone number(s).
- reading, understanding and responding to (in a timely manner) any correspondence received from Atlantic Cape or any other agency involved in the financial aid process, such as the PELL grant; and attending an entrance and an exit interview (student loan borrower).*

* Stafford Loan recipients are required to complete an exit interview to review rights and responsibilities as borrowers.

The Financial Aid and Veterans Services Office reserves the right to place a hold on any financial aid transcripts, college transcripts or college diplomas until the exit interviews are completed. Students are also required to notify the Financial Aid and Veterans Services Office prior to graduating, transferring to another college, or when leaving Atlantic Cape.

New Jersey and federal student aid programs have provisions that allow special consideration for students who have encountered death of a parent or spouse; reduction or loss of employment resulting in loss of wage earnings; divorce or separation; disability; loss of unemployment benefits; or retirement. Visit the Financial Aid and Veterans Services Office for details.

Assistance Available

Descriptions of financial aid programs administered by the Financial Aid and Veterans Services office are listed below. A financial aid recipient often receives aid from more than one source.

Grant Assistance

PELL Grant: A federal program that provides financial assistance to students enrolled in an eligible program. Eligibility is determined by a national formula. The amount of the award is based on: (1) eligibility as determined by the PELL Grant formula, (2) the cost of the program and (3) enrollment status.

Federal Supplemental Educational Opportunity Grant (FSEOG) is a federal program that provides money to undergraduate students with financial need. PELL recipients with exceptional need are given priority.

Tuition Aid Grant (TAG) is a New Jersey Program that provides grant aid to students enrolled at least half-time. Awards are based on state appropriations.

Educational Opportunity Fund (EOF) is a NJ program available to New Jersey residents only, for students from educationally disadvantaged backgrounds who have exceptional financial need.

NJ STARS is a New Jersey program that covers tuition of students who graduate in the top 15 percent of their high school class. (Please refer to the NJ STARS section of our website for details.) Please note, students must declare themselves as a NJSTARS student on the Admission's Application. Failure to identify yourself on the application could result in loss of eligibility.

Loans

For more information on all of these loan programs, visit www.atlantic.edu/finaid and click on loans.

Federal Direct Subsidized Stafford Loans are low-interest loans for

students to help pay for the cost of their education through the U.S. Department of Education. You must be enrolled at least half-time and demonstrate financial need as determined by the Financial Aid Application.

Federal Direct Unsubsidized Stafford Loan is a low-interest loan available to all students regardless of income and is not based on financial need. Interest is charged during all periods. Because this loan is not subsidized by the government, you are responsible for all interest that accrues. You may choose to make interest payments while in school or defer (and accrue) interest until repayment. You must be enrolled at least half-time.

Federal Direct Parent Loan for Undergraduate Students (PLUS) — Parents may borrow up to the cost of education for each student enrolled at least half-time (6 credits). Not income or need based, but a good credit history is needed. A loan application can be obtained at a participating lending institution. Repayment begins 60 days after disbursement.

New Jersey CLASS Loans allows students or parents to borrow the money needed to meet education costs after all other sources are exhausted. This loan is for New Jersey residents only, and student must apply for federal loans first.

Other Types of Assistance

Scholarship and Awards program: Scholarships are available to returning Atlantic Cape students and incoming and returning culinary majors. Each scholarship has specific criteria, which must be met by the applicant. All students maintaining a GPA of 2.5 or better are encouraged to apply. Applications are available in November. The deadline for submitting an application is mid-February.

Work assistance — Federal College Work Study Program (FCWSP): The work-study program provides part-time jobs to students who have financial need. Work schedules are built around class schedules. Every attempt is made to place students in jobs that relate to their major courses of study, interests and skills. Awards are based on federal appropriation and student may work until funds are exhausted. It is possible that a student may not be able to earn the total FWS funds awarded to them.

Rights and Responsibilities

Students have the right to appeal an award decision and may have other rights under certain programs. Students and /or their parents should not hesitate to ask questions regarding the appeal process.

Veterans Services Application

Veterans and eligible dependents attending Atlantic Cape may receive assistance in applying for educational benefits from the Financial Aid and Veterans Services Office, J Building, first floor. Students who are eligible for veterans' benefits should submit their applications early. All

Veteran students using their educational benefits must turn in a VA Transmittal Form. The Transmittal Form must be signed by an academic advisor, confirming that all enrolled courses apply towards your degree program. All online registrations must also be approved by completing the VA Transmittal Form. You will not be certified with the Veterans Affairs Office for any classes without a signed Transmittal Form or for coursework outside your degree requirements. Appointments are necessary or assistance can be obtained by calling (609) 343-5129.

Worthington Atlantic City Campus and Cape May County Campus:

A financial aid representative is available by appointment or on a walk-in basis. If applying or reapplying, the scheduling of an appointment is necessary. The office also provides information regarding scholarships, student/parent loans and VA benefits. For Atlantic City, call (609) 343-4850 and specify an Atlantic City appointment is needed. For CMCC, call (609) 463-6788.

Registration

After being admitted as a student, and before registering for any courses, students using veterans' benefits must go to the Financial Aid and Veterans Services Office for a Transmittal Form. Enrollment certifications to the Veterans Administration will be made only after the Financial Aid and Veterans Services office has received a duly signed Transmittal Form. Students must submit a Transmittal Form for each drop or add made prior to classes starting. Students must contact the Atlantic Cape Veterans Affairs Office before withdrawing. Withdrawing or receiving a NA grade (Never Attended) from a class will affect your veteran eligibility. It is your responsibility to notify the Veteran Officer in the Financial Aid Office if you withdraw or do not attend.

Payment

Advance payment may be made to those entering training for the first time, and for students who have had a break in training of at least 30 days. Students, through the Financial Aid and Veterans Services Office, must make an advance payment request no later than 60 days prior to the beginning of classes.

Transfer students (Veterans)

Students transferring into Atlantic Cape must apply to the Veterans Administration for a change in their place of training and/or program of study. Request forms are available in the Financial Aid and Veterans Services Office. Official transcripts from all other post-secondary institutions must be sent to the Admissions Office.

Amnesty

Any student who requests and receives amnesty for courses covered by U.S. Veterans Educational Benefits cannot be recertified to retake those courses.

GRADING

Each student's progress is evaluated by instructors at the end of the semester. The following grades are used to indicate the caliber of the student's academic achievement:

***Auditing a Course (AU)** – Audited. No credit or regular grade given for the course. In order to receive an AU for a course, the student must

Grade	Grade Point Value	Definition
A	4.0	Superior
A-	3.7	
B+	3.3	Good
B	3.0	
B-	2.7	
C+	2.3	Average
C	2.0	
D	1.0	Passing
F	0.0	Failure

I – This grade is defined as a failure to complete the requirements of a course, due to illness or other circumstances acceptable to the instructor as beyond the control of the student. An incomplete grade may be changed to a letter grade by the instructor, if the student completes the requirements of the course before the end of the eighth week of the next regular fall or spring semester. A grade of incomplete that has not been changed by the end of the grace period becomes an F. The responsibility for the elimination of an incomplete grade entry on the permanent record lies entirely with the student. Requests for change of an incomplete grade to a letter grade must be submitted online, by the instructor. An incomplete grade does not satisfy the prerequisite requirement for the next level course.

NA – Student never attended, never logged into an online course.
Grade submitted at mid-semester only.

register as an audit student by notifying the Enrollment Services Office at the time of registration or through the first week of the semester (drop/ add period). Regular attendance and other requirements stipulated by the instructor are required. Final grades of AU will be assigned and will appear on the student's transcript. AU grades are not computed in the student's GPA. Audited courses are ineligible for financial aid.

F to W Grade Policy – A change of grade request from F to W because of failure to withdraw in a timely manner from the course or non-attendance, will only be received and processed by the Registrar.

Procedure for issuing a “W” as a grade after a final grade is issued:

- The student must present complete documentation to the Registrar that explains the extenuating circumstances for the change.
- The Registrar notifies the faculty member involved of the student’s request. Documentation will be available for inspection in the Enrollment Services Office.
- If the faculty member does not approve the change, the student may petition the Academic Standards Committee for an appeal.

Withdraw from a class (“W” grade)

A student wishing to withdraw from a class may do so in writing or online until the 10th week of the fall or spring semester. Summer and winter withdrawal dates vary. A grade of “W” will be assigned for the course. “W” grades are not computed in the student’s GPA. Contact the Enrollment Services Office or check the current semester course guide for dates. It is each student’s responsibility to withdraw from courses, by the deadline, at any Atlantic Cape campus or online via WebAdvisor. Non-attendance of a class does not constitute an official withdrawal and the student will receive a grade of “F” in the course(s). Students receiving financial aid should contact the Financial Aid Office before dropping a course because it may affect their aid.

Procedure for withdrawals after the “W” period ends and prior to final grades:

If a student can document extenuating circumstances beyond his/her control (sickness, death in family, out-of-town, injury, job change, etc.), the Vice President of Student Affairs or his designee (Registrar) has the authority to allow the student to withdraw.

If a student makes a request to his/her professor for a withdrawal after the “W” period but prior to the final grades deadline, the professor may approve the request by signing the registration/course change form.

Withdraw from the College (total withdraw from all classes)

A student wanting to withdraw from all classes may do so in writing until the 10th week of the fall or spring semester and should meet with an academic advisor/counselor to discuss the reason(s) for withdrawal. A registration/course change form must be completed. A grade of “W” will be assigned for the course. “W” grades are not computed in the student’s GPA. Students receiving financial aid should contact the Financial Aid Office before dropping all courses to determine how it will affect their aid.

Dean’s and President’s Lists

Full-time students achieving a GPA of 3.0–3.99 are placed on the

Dean’s List. Full-time students achieving a GPA of 4.0 are placed on the President’s List, in a given semester. Part-time students are eligible after each increment of 16 credits while maintaining a cumulative GPA of 3.0–3.99 or 4.0.

Grade Appeals

All student-initiated grade appeals must be submitted within one year of the original date of issuance of the grade to the instructor that submitted the grade. Students who need assistance with this process should contact the Director of Counseling and Support Services at (609) 343-5091 or pdavis@atlantic.edu.

Grade Point Average (GPA), How to Calculate

To calculate GPA, each grade is assigned the following Quality Point Value (QPV): A=4, B=3, C=2, D=1, F=0. Current semester GPA is calculated as follows:

- Multiply the number of attempted credits for each course by the QPV of the grade received for that course (see above). Add all QPVs together.
- Add the total number of Attempted Credits excluding grades of NA, W or AU.
- Divide the total number of Quality Point Values by the total number of Attempted Credits to get the semester GPA.

Example:

Course	Attempted	Grade	Multiply Attempted Credits by QPV Credits	Quality Points
ENGL101	3	B	3 (attempted hours) X 3 (QPV) =	9
HIST103	3	A	3 (attempted hours) X 4 (QPV) =	12
Total Credits	6		Total QPV	21

Divide total *Quality Point Values* (21) by the total number of *Attempted Credits* (6): $21 \div 6 = 3.5$ (GPA).

GRADUATION REQUIREMENTS

Graduation

To earn an Associate degree, students must successfully complete the minimum credits attributable to that specific program as noted in the college catalog. Students must achieve at least a 2.0 cumulative GPA. Every student is required to demonstrate computer informational literacy, by graduation, by passing CISM125-Introduction to Computers with a “C” or better, testing out or presenting a portfolio. Each degree program will have the option of determining when these competencies should be demonstrated. (Education majors are required to take CISM290-Instructional Technology for Teachers in place of CISM125.)

Total credits required to complete each degree program are listed in the

college catalog. In addition, students must complete the required courses for the catalog in effect the date they were enrolled, or any catalog after that date. Students who transfer from another institution must complete 32 credits at Atlantic Cape.

Graduates with a GPA of 3.5 to 3.74 are awarded a degree with honors; 3.75 to 3.99 with high honors; and 4.0 with the highest honors. Although degrees are given at the end of each semester to qualifying students, a formal commencement ceremony is held at the end of the spring semester. Students who have more than two courses to complete for their degree requirements, or who have a cumulative grade point average of less than 2.00, will not be permitted to participate in the commencement ceremony.

Graduation Procedures

Candidates who expect to receive an Associate degree, certificate or a professional series certificate of achievement must file an online application for graduation and pay a graduation fee. A degree audit will be processed when the fee is paid. For information, contact Enrollment Services at any Atlantic Cape campus or by phone at (609)343-5005.

LIBRARY

To better serve students, library, computer lab, tutoring resources and academic support services have been integrated into a single location—the library at all three campus locations. The library’s web page also provides convenient access to a wide variety of online resources and services that support research and learning.

William Spangler Libraries/Information Commons, Mays Landing Campus:

The resources of the Spangler Library are available to the college community and, with some limitations, to residents of Atlantic and Cape May counties. The Spangler library currently holds 66,000 volumes and a growing collection of more than 165,000 eBooks in a wide variety of disciplines and subject areas.

In addition to the library’s ebook and onsite holdings, over one million volumes are available through the Atlantic County Library System’s online integrated system, shared by the college library, area high schools and public libraries throughout Atlantic County. A valid, current Atlantic Cape identification card is needed to borrow material. Identification cards may be obtained at the Student Life Center.

Books, articles and other materials not owned by the Spangler Library can be obtained for students, staff and faculty for free, from more than 78,000 libraries worldwide via the library’s interlibrary loan service. In addition to the book collection, over 13,000 full text newspapers, magazines, trade publications and scholarly journals are available through EBSCOhost and other online database services. Password protected off-campus access to these resources is available by contacting the library. Subject guides, available on the library’s Web page, provide guidance in researching major subject areas, support for course-specific assignments, and career-related information. Videos placed on the college video server can be viewed from any computer at Atlantic Cape’s three sites. Off-campus access to videos is not permitted at present.

Currently enrolled students have access to 75 computer workstations, 16 laptops, scanners, printers and photocopiers at the Mays Landing Campus, and WiFi provides network access for personal laptops and other mobile computing devices.

A coffee machine is available and covered beverages are permitted in the library. Food is not permitted. Students are asked to refrain from drinking beverages around library computers and to make use of trash containers as a courtesy to other library users.

A team of dedicated librarians, paraprofessionals and computer aides provide students with library and technical support. Professional

library assistance is available in person, by phone, email and by texting through the library's Text A Librarian service. Librarians are also "embedded" and provide assistance in many distance education classes at the request of the instructor. Library assistance is also available through Blackboard in the Student Lounge area.

Free tutoring service on a walk-in basis is offered in the Reading/Writing Skills and Math Skills Labs. In addition, individual and group instruction in specific content areas is available by appointment. Please see the Tutoring Services section for more information.

In order to make effective use of library resources, librarian educators provide information literacy instruction to individuals, small groups and classes by request. Formal class instruction is carried out in the Library Instruction Resource Room at the Mays Landing Campus.

To accommodate the needs of students with visual, auditory or physical barriers to learning, the library provides the following assistive technology at all three campuses:

- Vera Reading Machine
- Epson Scanner
- Aladdin Sunshine CCTV
- ICommunicator
- Zoom Text Screen Reader
- Openbook
- JAWS

Disciplinary Process for Violation of Acceptable Standards of Conduct

In all cases of disciplinary action where students are subject to institutional disciplinary penalties, the College will take every step to ensure that due process is maintained and respected.

In the case of flagrant violations of conduct, the College reserves the right to immediately suspend a student pending a hearing.

If a student demonstrates inappropriate behavior and disregards the College's Code of Conduct, these steps will be followed:

- The student will meet with the appropriate Campus Judicial Officer (CJO) to resolve the issue or to receive notice of disciplinary action.
- The student will receive written notification on the outcome of the meeting held with the CJO. If disciplinary action was taken, the student will be made aware of his/her right to appeal.
- The student may appeal the disciplinary action by informing the CJO of his/her intent in writing within seven (7) days.
- The student will receive, in writing, the date, time and place of the formal hearing within 14 days after the student's formal request. This letter will also contain:
 - a) a detailed statement of each charge.
 - b) notification of the student's right to have an attorney and a Response Form regarding the student's intention to waive or not waive this prerogative (student must sign and return this form).
 - c) a complete list of College witnesses.
 - d) notification to the student of the right to make a case on his/her own behalf with witnesses, subject to College cross-examination.
- Atlantic Cape will request the signature of the student acknowledging receipt of the written charges and hearing notification.
- The Student Standards and Conduct Committee will be convened

to hear the student's appeal. The committee will make its recommendation to the Vice President of Student Affairs who will then render a binding decision. The student will be notified of the disposition of the appeal within seven (7) days.

Drugs, Intoxicants Disciplinary Actions

Alcoholic Beverages – Atlantic Cape Community College bans alcoholic beverages from College premises and subjects violators, regardless of age, to disciplinary action up to dismissal and criminal prosecution.

Drugs – possession or use of illegal drugs or narcotics on any of Atlantic Cape's campuses or at any College-sponsored function is prohibited. Persons found with illegal drugs will be suspended immediately and appropriate law enforcement authorities will be notified.

Persons found to be engaged in the sale or distribution of illegal substances anywhere on College premises or at any College-sponsored functions will be immediately dismissed from the College and appropriate law enforcement authorities will be notified.

The Counseling Office is available to assist Atlantic Cape students with education, information, short-term counseling and referral services for alcohol and drugs. A brochure is available upon request at the Office of Student Affairs, Counseling Center or the Health Office. You may also access our website at www.atlantic.edu for additional information.

Firearms

The possession of firearms by employees and students on College property, College-sponsored housing or at any College activity is prohibited. This policy excludes law enforcement personnel and bank couriers on official business with the College and students who are active duty law enforcement personnel.

Grievance Procedure

Atlantic Cape is dedicated to the goals of fairness in all of its procedures and practices. If, for any reason, a student believes he or she is the victim of unjust practices, a comprehensive process for grievance resolution is available to that student and is outlined as follows:

Credit–Academic Issues (grades, complaints against faculty, etc.)

- **Level 1** — The student meets with the faculty member or the person with whom the grievance began. If the grievance is not resolved, the student proceeds to the next level.
- **Level 2** — The student meets with the appropriate academic dean. If the issue is still unresolved, the student proceeds to the next level.
- **Level 3** — The student meets with the Director of Counseling and

Support Services who will forward the case on to the Academic Standards Committee. This committee will make its recommendation to the Vice President of Academic Affairs or appropriate dean, who then renders a binding decision.

A student may request a College counselor to assist them at any level of the grievance process. The counselor's role is one of support and advisement. The counselor helps clarify processes to the student, assists the student with the preparation of his or her presentation, as well as helps the student explore his or her options so that the student is able to make a more informed decision. Any choice made during the grievance process is that of the student. Counselors are not at liberty to make decisions for students, nor are counselors able to present evidence or testimony on the student's behalf.

Noncredit–Academic Issues (grades, complaints against instructor, etc.)

- **Level 1** — The student must meet with the person where the grievance began. A direct and informal meeting with the source of the conflict is often the most effective means of resolution. If issue is unresolved, then proceed to the next level.
- **Level 2** — The student meets with the appropriate director. The student may meet with the director alone or request a College counselor to assist with clarifying and presenting the student's concerns. If issue is unresolved, then proceed to the next level.
- **Level 3** — The student meets with the Director of Student Development at the Worthington Atlantic City Campus who notifies the Academic Standards Committee. This committee makes its recommendation to the appropriate dean who renders a binding decision.

Student/Employee Conflict Issues (non-faculty)

- **Level 1** — The student meets with the person where the grievance began. If issue is unresolved, then proceed to the next level.
- **Level 2** — The student meets with the appropriate supervisor (director or directors). The student may meet with the supervisors alone or request a College counselor to assist with clarifying and presenting the student's concerns. If issue is unresolved, then proceed to the next level.
- **Level 3** — The student meets the appropriate dean for review and final disposition. If issue is unresolved, then he/she meets the Director of Student Development, who notifies the Student Conduct Appeals Committee. This committee makes its recommendation to the appropriate dean who renders a binding decision.

Improper Disposal of Waste into Storm Sewers

All persons are prohibited while on College property from:

- Spilling, dumping or disposing of materials other than stormwater to the municipal separate storm sewer system operated by the College.
- Spilling, dumping or disposing of materials other than stormwater in such a manner as to cause the discharge of pollutants to the municipal separate storm sewer system operated by the College.

Any College student who is found to be in violation of this regulation shall be subject to disciplinary sanctions or other actions in accordance with the College's Student Code of Conduct Policy. Any person who violates this regulation may also be subject to prosecution under applicable New Jersey statutes.

Wildlife Feeding Control

No person shall feed any unconfined wildlife on College property, except as part of academic research. Any College student who is found to be in violation of this regulation shall be subject to disciplinary sanctions or other actions in accordance with the College's Student Code of Conduct Policy.

Threatening and Violent Behavior Policy

Atlantic Cape Community College is a place where students, staff and guests expect safety and security while pursuing academic excellence and College activities.

Accordingly, any Atlantic Cape student who verbally or physically threatens the safety of other students, staff, faculty or campus guests will be suspended immediately from the College pending a disciplinary hearing.

The outcome of that hearing may result in penalties including, but not limited to, additional suspensions or dismissal from the College depending on the circumstances of the offense.

Students who are suspended or dismissed from the College are banned from all Atlantic Cape campuses, learning sites and College-sponsored events during the period of their suspension or dismissal.

Students who violate this ban will be charged under New Jersey criminal codes.

PRIVACY (FERPA)

The Family Educational Rights and Privacy Act (FERPA) is a federal law designed to:

- Protect the privacy of education records.
- Establish the right of students to inspect and review their education records.
- Provide guidelines for the correction of inaccurate and misleading records.

FERPA applies to students attending any educational program at Atlantic Cape.

The U.S. Department of Education defines “directory information” as information contained in the education records of a student that would not generally be considered harmful or an invasion of privacy if disclosed.

Directory Information as defined by Atlantic Cape includes:

- Name
- Classification
- Degrees Awarded
- Hometown
- Honors
- Awards
- Weight/Height of Athlete
- Sports Participation

Students may request to have their directory information blocked from being released by completing the Restrict Directory Information Form and returning it to the Enrollment Services Office located in J Building, Mays Landing Campus.

Students who elect to withhold disclosure of this category of information must conduct all College business in person with a photo ID card. Such students’ names will be published in the commencement program unless the student requests exclusion in writing. Students in this category are eligible to use WebAdvisor for transactions including registration, which are protected by a personal identification number (PIN). Former students may not place a new request for nondisclosure of directory information on their educational records; however, they may request its removal.

Requests for the release of Directory Information must be submitted in writing to the Registrar, Atlantic Cape Community College, 5100 Black Horse Pike, Mays Landing, NJ 08330-2699.

Atlantic Cape’s Student Guide to FERPA provides more information. A printed copy of the brochure is available at all college locations.

For more information on FERPA, visit the U.S. Department of Education website at:

<http://www.ed.gov/policy/gen/guid/fpco/ferpa/index.html>.

- If students repeat a course for credit in which the final grade of the original attempt was A, B or C, the higher of the grades will be used.

SEXUAL HARASSMENT AND AFFIRMATIVE ACTION

Atlantic Cape Community College prohibits sexual harassment by any member of the faculty, staff, student body, independent contractors or vendors on any of the three College campuses. The policy of the College reflects a desire to create and maintain an environment for work and study that permits all employees and students the opportunity to pursue an education or career in which they can progress on their merit and ability.

The sex discrimination provisions of Title VII of the 1964 Civil Rights Act prohibit sexual harassment in the workplace. Sexual harassment in the classroom or in student-related activities is prohibited by the sex discrimination provisions of Title IX of the 1972 Education Amendment.

The U.S. Equal Employment Opportunity Commission (EEOC) has defined harassment on the basis of sex as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct... when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, evaluation or grade; (2) basis for employment, evaluation or grade decisions affecting such individuals; or (3) such conduct has the purpose or effect of substantially interfering with an individual's work or school performance or creating an intimidating, hostile or offensive working or learning environment.

The College's Office of Affirmative Action is located at the Mays Landing Campus, Room J-254, Office of the Executive Vice President of Planning, Research and Facilities, 5100 Black Horse Pike, Mays Landing, NJ 08330-2699. The office coordinates efforts to eliminate discrimination including the investigation of any complaint filed by a student or employee. Students, faculty or staff members who feel they have been the subject of possible discriminatory treatment may file a complaint with the Office of Affirmative Action. Two new categories have been added to the Hate Crime Reporting categories under the Clery Act; gender identity and national origin. If the preponderance of evidence suggests that a crime was motivated by a bias towards these or previously defined categories, it will be processed as a hate crime.

If you have been the victim of any of these offenses while on College property or at a College-sponsored event, please follow the reporting guidelines listed in your Student Handbook under Sexual Harassment and Affirmative Action.

You may speak to a counselor confidentially about your options (however, if you are under the age of 18 your conversation is not confidential and all accusations are reported to appropriate authorities).

You can reach a counselor by calling (609) 343-5641 at the Mays Landing Campus, (609) 343-4859 at the Atlantic City Campus, or (609) 463-8113 at the Cape May County Campus. Counselors also see students on a walk-in basis at all campus locations.

Smoking is prohibited inside all buildings, including hallways, stairwells, restrooms and other common areas. The New Jersey Smoke-Free Air Act (Act), N.J.S.A. 26:3D-55 prohibits smoking in an indoor public place or workplace.

Violators will be subject to disciplinary action:

- Student violators will be called before the Judicial Officer.

- All violators are subject to laws governing smoking in public places.

Complaints may be addressed as follows:

- Students should direct complaints or inquiries to the Judicial Officer.
- Employee complaints or inquiries should be directed to the immediate supervisor.
- In addition, anyone may register a complaint with a Security officer.

Supervisors and managers will be responsible for enforcing this policy in the same manner as other College policies.

TRANSFER/ARTICULATION AGREEMENTS

Transfer/articulation agreements are partnerships between two-year and four-year colleges that allow the smooth transition of students from community colleges to four-year institutions in specific programs or areas.

Atlantic Cape is continually working with other colleges to create new agreements that will aid student transfers.

Several of the agreements are unique. Visit www.atlantic.edu and select Services for Students, or call (609) 463-6786 for more information.

TRANSFERRING TO OTHER COLLEGES

Students planning to transfer to another college should meet with a program advisor on a regular basis. Transfer counselors/advisors are available to assist students with specific college's recommended/required course selections.

Students are encouraged to use NJ Transfer, a Web-based data information system designed to provide a seamless transfer from New Jersey community colleges to New Jersey four-year colleges and universities. At the NJ Transfer website, www.njtransfer.org, students can:

- Learn which courses to select at the community college.
- Discover how these courses will satisfy the degree and major requirements at NJ four-year colleges and universities.
- Find links to NJ two- and four-year college websites.
- Obtain information on admissions, financial aid and scholarships, and transfer recruitment events throughout the state.

Student Transfer Appeals

All student-initiated transfer appeals must be submitted in writing to Wendy Gray, Program Officer, Cape May County Campus Services, within 30 days of receiving an evaluation of transfer credit.

1. Program Officer will refer student-initiated appeal request to appropriate transfer counselor/advisor who will review the appeal and attempt to work out a resolution. Before a final decision is made, the transfer counselor/advisor will be required to contact the college or university on the students' behalf as a final attempt in negotiating a resolution. However, the decision of the receiving school is final. The student will receive a decision to their appeal request within two (2) weeks of submitting their appeal.
2. Once a decision is rendered on an appeal, the student will receive written notification of the outcome of the appeal. Though a student can be notified by email, written notification is also required. Appeals Process under the Comprehensive Statewide Transfer Agreement: Each baccalaureate institution shall have a procedure through which a transfer student can appeal a decision that he/she believes is not consistent with this Agreement. The procedure shall be published in the institution's catalog, student handbook, and website. A student who wishes to appeal a decision must file that appeal with the baccalaureate institution through that procedure. Such appeal must be submitted by the student within 30 days of

receiving the decision in question. The baccalaureate institution will provide a decision to the student within 60 days of receipt of the appeal. The decision of the baccalaureate institution is final. The relevant community college will be informed of the nature of the appeal and the decision by the baccalaureate institution.
