VI. **Advisors’ Report**

A lot of club officers did not participate in the training. You’ll need to reschedule the training or you may have to step down.

You’ll need to get back to your club and make sure that all your officers have done the officer training

VII. **Club Coordinator’s Report**

Just to make sure that you hand in your minuets, and also do your boards. There are some who hasn’t touched there’s and it still looks the same from last year. It would be nice to have a different one every semester and not the same thing from the year prior.

The sports club will have schedules and that’s what needs to be handed in instead of minuets for the sport clubs.

VIII. **Program Chair’s Report**

November 12- ping pong
Need some club support to fill up our boxes for the food drive.

IX. **Sophomore Senator’s Report:**

XIII. **Vice President’s Report:**

December 5 going to the boys and girls club. Talked to performing arts club and Baking & Pastry, and they said that they would be able to make the cookies for us. Well just need to know who can come because well need as much help as we can get because there is going to be a lot of kids.

XV. **President’s Report:**

Freshmen Senator voted in:
Motions 1\textsuperscript{st} Cheerleading 2\textsuperscript{nd} T.V. Club For: 20 Against:0 Abstain:0 

Thank you to everyone who participated in breast cancer. Next Tuesday on the 5\textsuperscript{th} is the speak project on bullying, suicide and in the theater

Also was thinking on the date to do the dodge ball tournament
XII. **Open Forum:**

We had the Active Shooter Training come in to speak to us about what they do and how to protect ourselves in any case something may happen. They showed us a slide show and also gave information on the program they do.

Baking and pastry talked about the survey about the golden corral so that they can see the problem and get input from the students.
So if you want to voice your opinion on the food in the café, then you should take the survey so that they can know.

Cheerleading is having tryouts and practice Friday and Saturday because they want to get more people involved and participating.

Same with lacrosse, they would like to have more involvement in there club as well. They also want to show support to other clubs, so if you need help let them know
SGA has been working on graduation rated and we have some ideas on how to go about that, so hopefully buy the end of the semester we want to have more info put out on all campuses about that.

XIII. **Adjournment:**

1\textsuperscript{st} Motion History & Government 2\textsuperscript{nd} Motion T.V. Club Adjourned at 1:23pm
